

Ayhena Aloha - Aloha 'Aina

On the Shabbat Eve on Friday, March 26 of this Year 2021, I received the following Revelation:

When I was returning to my physical body, still in my Astral Body, I arrived pronouncing the words:

“Ayhena Aloha.”

I had never seen, read or heard this Phrase before. Investigating I have been Admized, Astonished.

“AEGINA,” pronounced “AYHENA,” is an Island that is located in the “Saronic Gulf”: “... a wide gulf off the eastern coast of Greece, open to the Aegean’s Sea waters and defining the eastern side of the isthmus of Corinth. The urban area of Athens surrounds its north-eastern coast...

The Greek Historian and Geographer Herodotus of Halicarnassus (years 484-425 before our Christian Era), in “The Nine Books of the History...,” affirms that “AYHENA” is the pronunciation of the word “AEGINA”.

“Ægina... An island in the Saronic Gulf, near and to the east of the Argolis coast. m.n. Ægina, pronounced Ayhena. viii. 41, 46. Æginet.. The inhabitants of Aegina.” (“*THE NINE BOOKS OF THE HISTORY OF HERODOTO*”).

On the Island of Aegina, the Goddess “Aphaia” (related to the Virgin-Goddess “Artemis” or “Diana”), also called “Brotomartis,” whose name means “Sweet Virgin”... (“Sweet Aloha”...) was Worshiped.

“... Egina (/ˈɛɡɪnə/; Greek: Αἴγινα, Aigina [ˈejina]; **ancient greek**: Αἰγῖνα)... Aphaia (Αφαία / Ah-FAY-ah) was the main goddess on the Greek Island of Aegina, worshiped nowhere else under that name. She is linked... with Artemis, Virgin Goddess of the Forest, Wild Animals, and the Moon [*]. Like Artemis, Aphaia protected women

during childbirth. Her temple was “a place principally of female worship”...”

Here the “Moon” does not refer to the satellite Moon of our Planet Earth, but to the Solar Feminine Aspect, The Virgin-Goddess and Mother of the Gods, of Humanity, of all Beings. In another Unfolding, the “Moon” is the Symbol of the “Eternal Feminine,” the Spiritual Beloved, The “Feminine,” or “Nukva,” the “Bride” (“Kalah”...) and The Spiritual “Wife” of “Zeir Anpin,” the Beloved and the Beloved of King Solomon’s The Song of Songs.

¡Aloha Is Eloah!

The word “ALOHA” is Hawaiian.

The Hawaiian Word “**Aloha**” is not only welcome greetings or “goodbye,” or an expression of affection, of love, addressed to one or several persons, but in a deeper and more spiritual sense, “**Aloha**” is the Conscious Love for God above all things, and for the Neighbor as for Ourselves, the Love for all Beings, radiating it, providing it. “**Aloha**” is the Joy of Giving, of Loving, of Making all Beings Happy, without expecting any retribution in return.

“... to the Hawaiian of old, **Aloha** meant “God in us.” ...”

“ALOHA” or “ELOHA” is an Ancient Word of Hebrew Origin, formed by the Hebrew Letters “El-Vav-Hei”. “EL” is CHOCHMAH (The Cosmic Christ), “VAV” is “ZEIR ANPIN” The Male Human Soul, The “Bridegroom,” The Spiritual “Husband,” “HEI” is THE NUKVA, The Female Spiritual Soul, the “Bride,” the Spiritual “Wife.” (*V.M. Thoth-Moisés*).

“... From tradition [Kabbalah] we learn why the letters V [Vav] and H [Hei] are placed together in their alphabetical order. Vau being the symbol of the male and He that of the female principle, which are united and operate in combination with each other, as husband and wife, and from one becoming invested with a nimbus or covering of

divine light that emanates from the male principle [Vav] and known in scripture as grace (Chesed), as it is written, 'The goodness (Chesed) of God endureth continually' (Ps. LII. 1). This ray of divine light comes through the Sefhira “supreme Wisdom” [Chokmah] and penetrates the male principle [Vav, Zeir Anpin], which is communicated to the female [Nukvah]. Another tradition states that the name **Aloha** is separable into, AL, V and H, Al designating the light of wisdom, V [Vav] the male principle [Zeir Anpin] and H [Hei] the female principle [Malkhut, The Queen, The Nukvah], and their totality form **Aloha**.” (*The Zohar*).

“... we have learned further... that the name **Eloha** (El-Vav-Hei) is interpreted as follows: El is the Light of Chochmah, Vav is the male, and Hei is the female. Male and the female are attached together and are called BY ONE NAME, **Eloha**. So the holy soul clings to this place, and everything depends on the sign of the COVENANT [True Chastity]. Hence, the words, "from my flesh shall i see **Eloha**," REFERRING TO THE NAME **ELOHA**, represent overall/total completion...” (*The Zohar*).

“Pure souls are protected by the garment that is spread on them, which is the name **Eloha**. We hear that the souls of the beloved enter into the chamber of love...” (*The Zohar, or “Splendor”*).

“Aloha ‘Aina”

When investigating, I was left Amazed, Astonished, because the Two Words: “Ayhena Aloha” that were Revealed to me, also belong to the Ancient Roots of the Hawaiian Language:

“At its root, Aloha 'Aina is the belief that the land [Aina] is the religion and the culture. Native Hawaiians descend from a tradition and genealogy of nature deities: Tales from the Night Rainbow Wakea, Papa, Ho’ohokulani, Hina, Kane, Kanaloa, Lono and Pele - the sky, the earth, the stars, the

moon, water, the sea, the natural phenomena such as rain and steam: and from native plants and animals. The native Hawaiian today, inheritors of these genes and mana [spiritual power], are the kino lau or alternate body forms of all our deities...”

“KU,” or “Kane,” and “Hina,” God and Goddess, Man and Woman, Heaven and Earth, are The First Gods of the Original, Ancestral Peoples of Ancient Hawaii.*

**(Please see: [“El Cielo está en La Tierra”](#) “Heaven is on Earth”).*

The Sacred Tree “Ohia” (of the Myrtle Family) is Sacred to the Hawaiian Goddess Hina the Celestial and Spiritual Wife of God Ku, or Kane.

“HINA” is the Goddess of the Hawaiian Forests of the Sacred Trees “Ohia Lehua”, “the Hawaiian National Tree”.

“Ayhena Aloha”, The Sweet Virgin-Goddess Ayhena-Aloha, is the Revelation I received of the most Ancient, Sacred, Spiritual, Esoteric and Mystical meaning of “Aloha 'Aina,” “The Land of Aloha,” “The Land of Love,” The Land of the God and Goddess of Love.

“In his book “Greek Linguistic in the Polynesian Languages (Hellenicum Pacificum)” the professor [Nors S. Josephon,] provides solid proof of a connection between ancient Greeks and Polynesian civilizations.”

The Greek Word “Ayhena” is Mysteriously, Mystically associated and related with the Hawaiian Word “Aloha” .
