La Voz del Silencio

Cuando la tarde se torne gris
y de los árboles las hojas se caigan...
Cuando la Alegría se duerma
y la tristeza se muera en tu corazón...

Cuando el llanto apague tu risa
y las esperanzas se esfumen
como se deshacen los sueños
y el rocío en la mañana...

Escucha la Voz del Silencio,
que está en las Estrellas
y en tu Corazón...

Y el canto del *arroyuelo*,
del árbol que danza,
o de la tierna flor...

Canción y Video Musical:
LA VOZ DEL SILENCIO

The Voice of Silence

When the afternoon turns gray
and the leaves fall from the trees...

When Joy falls asleep
and sadness dies in your heart...
When weeping extinguishes your laughter
and hopes vanish like dreams
and dew in the morning...

Listen to the Voice of Silence,
which is in the Stars
and in your Heart...

And the singing of the *little brook*,
of the dancing tree,
or of the tender flower...

On the TV, which was turned off, mysteriously appeared a Message that was captured by the photographic camera... A Message related to the Eternal Youth...

22 years later, on Adonay Day, October 3, 2021, on the Eve of the Spiritual Rebirth of FRANCISCO DE ASIS, I WAS WALKING IN A WHITE CLOTH WITH A WHITE HAT WITH A SEMBLANZA LOOKING LIKE THAT OF FRANCISCO DE ASIS, WITH MY HANDS JOINED BY MY PALMS, AT THE LEVEL OF MY CHEST AND WHILE SMILING, ACCOMPANIED BY A LITTLE DONKEY THAT WENT IN FRONT OF ME, I SANG WITH GREAT HAPPINESS THE FOLLOWING WORDS: "YOU WILL BE MY MESSENGER... !" "... HE SHOULD RIDE ON THE DONKEY, AND THEY SHOULD DRIVE IT..." "He said to them, have I not told you that his is the command of the King, until the donkey driver appears! THIS REFERS TO KING MASHIACH, WHO IS DESCRIBED BY THE WORDS, "POOR AND RIDING ON A DONKEY..."..." (The Zohar).

"Behold, I will send my messenger, and he shall prepare the way before me: And the Lord, whom ye seek, shall suddenly come to his temple, Even the messenger of the covenant, whom ye delight in: Behold, he shall come, saith the Lord of hosts." (Malachi 3:1)

Mi corazón es un mar
en cuyas aguas cristalinas y profundas
se refleja sonriente
la Estrella resplandeciente
que siempre me ha sonreído...

El aroma de tu Amor me llega en la noche
con el suave perfume de las delicadas flores de jazmín
y el Ave de mis ensueños calma la sed en mis labios
trayéndome el néctar de los tuyos...

En el Jardín del Edén interior las aves cantan poemas de amor
que aún laten suspirando en las encantadoras pupilas de tus ojos
y en el fuego oculto y abrasador en cada latir de tu enamorado
corazón...

En las noches estrelladas
nuestras Almas se unen con los eternos encantos del amor...

Holy Week, Tuesday, April 4, 2023.

At about 6:00 a.m., I lay down to Pray... lying on my right side as in “the Lion's posture”...

ALL OF A SUDDEN, TO MY GREAT AMAZEMENT, I SAW A BEAUTIFUL GOLDEN-ORANGE BUTTERFLY OF GREAT SIZE ENTER MY BEDROOM, FLYING ZIGZAGGING IN FRONT OF ME WITH ITS WINGS WIDE OPEN AS IF IN A VERY BEAUTIFUL DANCE, THEN DISAPPEAR!!!

This Lived Experience was not a Dream; it was something very Real that I perceived here in the Physical World. The Very Beautiful and Sacred Golden/Orange-colored Butterfly suddenly appeared, flying physically around the foot of my bed. It was Something very Sacred related to a Manifestation of the Etheric World of the “Jinas,” the Physical-Etheric World of the Elves of the Light...

Instants later, I saw myself out of my physical body in a place where a most Beautiful, white-skinned, blonde, long-haired Woman dressed in gorgeous clothes of different colors appeared before me... The Beautiful Lady was looking at me with Great Love. Suddenly, a Very Beautiful Bouquet of Roses of many colors appeared between her hands, which was incorporated into Her so that it was possible to see the Bouquet of Flowers, among which there was also a Sunflower Flower, inside her Chest... She kept looking at me with Great Love. I Understand that The Beautiful and Large Orange-Golden colored Butterfly and the Lovely and Beautiful Lady are closely related.

All of this reminds me of the Goddess Freya, the Spiritual Beloved of the God Frey, or Frodo, of the Nordic Sagas.

Butterflies are Consecrated to Freya and are called “Freya's Hens”... Her Beloved Frey, or Frodo, is the King of the Elves of the Light.

While writing this Message, I paused to lie down and pray “in my hammock of colorful pita fibers”...

Once I cast, through concentration, the first circle of the practice of “making the light circulate”... feeling the heartbeat in some parts of the body, we heard a very loud cry of an Eagle over our Sacred Home...

Shortly afterward, it started Thundering...

This semi-physical, semi-etheric manifestation of the Lovely and Beautiful Orange-Golden colored Butterfly is closely related to another manifestation of a Beautiful Golden Butterfly that came at my call here in the physical world on Candlemas Day, February 2, 2020, to which I refer in the following pages...

Candlemas Day on Adonay's Day, Sunday, February 2, 2020.

Before noon, after Saying our Sacred Prayer to the SOLAR LOGOS, accompanied by my Beloved Wife Gloria María, in the Sacred Garden of the Patio-Terrace of Our Hermitage, I approached to caress the Little Green Branches and Bouquets of the richly Scented White Flowers of Our Sacred Little Myrtle Tree...

With The Voice of Silence, I Said the following Prayer:

I Concentrated Deeply on my Heart, sending My Spiritual Greetings and All My Love to My Holy and Sacred Shechinah, my Spiritual Beloved, under Her many Varied and Distinct Names, most Especially under Her Name of the Celtic, Nordic Goddess Brigit, thus Praying with The Voice of Silence:

Happy Candlemas Day, My Love, My Love, Love, Love, Love, My Beloved!!!

When I finished Saying this Holy Prayer, a very Beautiful Butterfly of an Intense Golden-Yellow Color immediately appeared, which flew and fluttered over my head, almost touching it, then Danced Happily and Joyfully in front of me and around the Blossomy Little Myrtle Tree, the Vine arbor, and the White and Red Rosebushes... to soar then, flying away with its tender, happy, beautiful, and delicate wings...

I approached the Blossomy Little Myrtle Tree again; I began to caress Its Little Branches and to Raise with my Heart the same Prayer as before, and to my Amazement, amid the branches of the Little Myrtle Tree, a Most Beautiful and Lovely White Butterfly suddenly appeared, Flying and Dancing joyfully in front of me; then it flew, Dancing among the Rosebushes; then it flew toward the branches of one of Our Sacred Little Olive Trees to soar then toward the heights of the Blue Sky, of Radiant sun, with White Clouds, on that Beautiful and Sacred Adonay's Day and Candlemas Day, in a Weather that was like between Spring and Summer...

I approached the Blossomy Little Myrtle Tree again; I began to caress Its Little Branches and to Raise with my Heart the same Prayer as before, and to my Amazement, amid the branches of the Little Myrtle Tree, a Most Beautiful and Lovely White Kuintru (Butterfly) suddenly appeared, Flying and Dancing joyfully in front of me; then it flew, Dancing among the Rosebushes; then it flew toward the branches of one of Our Sacred Little Olive Trees to soar then toward the heights of the Blue Sky, of Radiant sun, with White Clouds, on this Beautiful and Sacred Adonay's Day and Candlemas Day, in a Weather that is like between Spring and Summer...

This Beautiful and Lovely Blue Butterfly, “Panambi Verá” (“Bright Butterfly”), visited us here in Our Sacred Home on December 17, 2021, at 15:38.

While I was watering our Sacred Garden, I felt a hummingbird touch me on my back, landing on it for a few brief instants at the height of the Heart.

Instants later, this Lovely Blue Butterfly appeared, fluttering very close, so much so that it came close, touched my chest, and perched for a few instants over my heart... It continued flying and dancing around us to land then for several minutes on this wall very close to one of the windows next to one of the entrance doors to the grove of our Sacred Home...

Butterfly with “Four Eye-Spots”... that visited us in our Sacred Home and accompanied us for several minutes...

“An unexpected phenomenon happened last weekend. Several people had an invasion of white butterflies in their homes. Jan 2023”

On Holy ADONAY's Day, JANUARY 22, 2023, the White Butterflies, which have been arriving here in significant numbers over and over since yesterday, continue to fly and dance joyfully and happily...

They are also fluttering in our Sacred Garden and around us, almost touching us with their angelic, delicate, tender, beautiful, lovely, and pure wings.

These White Butterflies represent Purity, Chastity, and Fidelity, and they are Heralds of a New Life and Resurrection of the Interior, Inner Christ in the Bodhisattva of V.M. Thoth-Moisés, with the Help, Blessings, Protection, and Mercy of Heaven, of all the Higher Hierarchies of the Venerable WHITE LODGE.
