Easter, Tuesday, April 4, 2023. At approximately 6:00 a.m. I lay down to Pray... lying on my **right side as in "the Lion's position"**.... SUDDENLY I SAW WITH GREAT ASTONISHMENT THAT A BEAUTIFUL GOLDEN-ORANGE BUTTERFLY OF GREAT SIZE ENTERED MY BEDROOM AND FLEW ZIGZAGGING IN FRONT **OF ME WITH ITS WINGS** WIDE OPEN AS IN A VERY BEAUTIFUL DANCE, THEN DISAPPEARED!!!! This Experience was not a Dream, it was something very Real that I perceived here in the Physical World. The Most **Beautiful and Sacred** Golden/Orange colored Butterfly suddenly appeared flying physically around the foot of my bed. It was something very Sacred related to a Manifestation of the Etheric World of the "Jinas", the Physical-Etheric World of the Elves of Light...

My heart is a sea  
 in whose crystalline and deep waters  
 is reflected smiling  
 the shining Star  
 that has always smiled at me...

The aroma of your Love reaches me in the night  
 with the soft perfume of delicate jasmine blossoms  
 and the Bird of my reveries calm the thirst on my lips  
 bringing me the nectar of yours...

In the inner Garden of Eden the birds sing love poems  
 that still beat sighing in the enchanting pupils of your eyes  
 and in the hidden and scorching fire in every beat of your enamored heart...

In the starry nights  
 our Souls unite with the eternal charms of love...

HEAVEN IS ON EARTH THE LORD OF THE DEER

Lages, Brazil, October 1, 2023.

Report on the acquisition and presentation of the print of the original painting “The Prince of Peace” by the Artist Miss Akiane Kramarik.

Before our trip to the United States in July 2023, we wholeheartedly felt that we should acquire a print of the original painting “The Prince of Peace” and present it to Our Beloved Friend and Master Luis Bernardo Palacio Acosta (V.M. Thoth-Moisés). We arranged with the painter Akiane Kramarik's brother, Mr. Jeanlu Kramarik, to pick up this print in person from him to avoid mismatches with the postal service since the print is made in the State of California and then sent to Florida to Akiane Kramarik's Art Gallery.

On this occasion, we traveled as a family to the United States: myself, Guilherme, my Beloved Wife Vanessa, alongside our Dear Children, Luisa, Gabriel, and Alice!

We arrived in Florida on July 20th. After some appointments, on the 28th, we traveled to the State of Texas because, on the 29th, we were scheduled to visit the Beloved Gallery again, where some of the original works by the painter Akiane Kramarik are located, especially “The Prince of Peace”! - (<https://www.youtube.com/watch?v=cHWouIrvwSg>) Our Beloved Friend and Master Luis Bernardo Palacio Acosta (V.M. Thoth-Moisés) had suggested that we return to the Beloved Gallery, this time as a family, and so we did with great joy. When we met at the Gallery again, the Beloved Gallery staff were very happy and surprised that we had returned, especially as a family.

Photography isn't allowed inside the Gallery, but the Gallery Manager told us she would take a photo of us as a family and post it on the Beloved Gallery's Instagram. We were very happy when we saw it and shared it with V.M. Thoth-Moisés.

We returned to Florida, and a few days later, we received a message stating that the print of the original “The Prince of Peace” painting had arrived at the Akiane Gallery. We then arranged to pick it up in person. During this time, we learned that Akiane Kramarik had signed the painting we had purchased, which is a rare occurrence, especially in cases like this. Unfortunately, Miss Akiane Kramarik could not meet us that day to hand over the painting. Instead, it was her sister-in-law, Mrs. Gina, the wife of her brother Jeanlu Kramarik, who gave it to us. During our meeting, we also presented some gifts for Miss Akiane Kramarik from our V.M. Thoth-Moisés. We agreed to meet in a café and spent about an hour talking. We were very grateful that Miss Akiane Kramarik had personally signed "The Prince of Peace" painting, which would undoubtedly bring great joy to the actual owner, Mr. Luis Bernardo Palacio Acosta. We expressed our gratitude for everything and bid farewell.

With the permission of our Beloved Friend and Master Luis Bernardo Palacio Acosta (V.M. Thoth-Moisés), we traveled to Paraguay by car at the beginning of September. We were very happy to be in that piece of Sacred Land in Asunción, where our Beloved Friend and Master's Sacred Home is located. Our reunion with Him took place on Shabbat day at 7pm. When we presented Our Beloved Friend and Master with the print of the original work “The Prince of Peace,” he received it with great emotion that deeply and beautifully moved us with great higher emotion.

He told us he had chosen a special place to display the painting. He also shared in great detail an experience in the astral world dated Tuesday, August 15, 2023, related to the presentation of “The Prince of Peace” painting directly from Akiane Kramarik's hands to our Beloved Master, complete with the painter's signature. We were amazed by the “Causalities” between the Astral Experience that our Beloved Friend and Master Luis Bernardo Palacio Acosta (V.M. Thoth-Moisés) shared with us and everything we had been through in the United States regarding “The Prince of Peace” painting. The next day, we returned to our Friend and Master's Sacred Home, where we saw the painting already placed in its final location. The Master allowed us to read about the experience in the astral world (\*) that He told us the day before, which concerned the presentation of “The Prince of Peace” painting with Akiane Kramarik's signature directly from her. Our Beloved Master tirelessly and unconditionally strives with all his strength to help all the Friends and Brothers of Our Beloved Community and, to the full extent, all Humanity understand the urgency of practicing **The Three Factors of the Revolution of the Consciousness** once and for all. To this end, he spares no effort or sacrifice, sharing his inner life with us, as we see in the numerous testimonies on our Friend and Master's website <http://www.testimonios-de-un-discipulo.com>.

We thank Heaven for sending us V.M. Thoth-Moses, our Faithful Shepherd of our Lord Jesus the Christ, to guide us in these end times!

With all my heart, from your Friends and Soul Brothers, Guilherme Giassi Scaini and Vanessa Patrício Scaini.

## (\* ) Spiritual encounter with the Soul of Miss Akiane Kramarik.

Tuesday, August 15, 2023

On this date of Tuesday, August 15, 2023, I had a very special experience.

Out of my physical body in my Astral body I had an spiritual encounter with the Soul of Miss Akiane Kramarik.

I saw that she was with a lot of movement, going from one place to another place because a very important exhibition was being prepared for her.

As she came and went, she passed very close to me and looked at me with a beautiful angelic smile of affection and love. Several moments went by until finally her organization for the exhibition was complete.

Akiane Kramarik approached me with great affection and handed me the painting of the Prince of Peace. It struck me that the painting had an extension on one side, in a separate frame, but attached to the Prince of Peace painting. I looked carefully at the painting, and I could see that Akiane had painted some beautiful, very tall trees inside a forest, which looked like pine trees, with their branches in a rounded shape, a part of the trunk of the trees was uncovered up to where the branches began to be. There were eight trees, in rows of two trees, one behind the other.

Miss Akiane told me that she was going to place her dedication to me on the back of the painting. She placed the dedication with her signature that read:

"With much love - Akiane"

From my Heart with much Love

Luis Bernardo Palacio Acosta
