- September 9, 2017: Mercury in Leo moving closer to a
Conjunction with Regulus tomorrow, Sunday,
September 10, and Jupiter in Virgo approaching a
Conjunction with Spica on Monday, September 11.

- Conjunction of the Star Regulus, or "The Little King", with the Planet Mercury-Raphael in the Constellation of Leo on Sunday, September 10, 2017 -

The Constellation of Leo is related to the Tribe of Judah.

In Esoteric Astrology, the Star Regulus, which means the Little King, also called The Heart of the Lion, represents the King-Messiah. It is located between the feet of the Lion.

This Conjunction of Regulus-Mercury is ONE of the many Announcements and Signs of the fulfillment of Jacob's Prophecy in the Book of Genesis 49:10:

"The sceptre shall not depart from Judah, nor a lawgiver from between his feet, until Shiloh come; and unto him shall the gathering of the people be." (Genesis 49:10).

"... 'The sceptre shall not depart from Judah nor the ruler's staff from between his feet'; 'the sceptre' referring to the Messiah of the house of Judah, and 'the staff' to the Messiah of the house of Joseph. 'Until Shiloh cometh': this is Moses, the numerical value of the two names Shiloh [Schylah] and Moses [Mosheh] being the same." (The Zohar).

"The scepter shall not depart from Judah, Nor the ruler's staff from between his feet, Until Shiloh comes, And to him shall be the obedience of the peoples." ("Torah").

"The transmission of dominion shall not cease from the house of Judah, nor the scribe from his children's children forever, until the Messiah comes, to whom the Kingdom belongs, and whom nations shall obey." (Targum Onkelos).

"Kings and rulers shall not cease from the house of Judah, nor scribes who teach the Torah from his seed, until the time when the King Messiah shall come, the

youngest of his sons, and because of him nations shall melt away.” (Targum Psj).

“Kings shall not cease from among those of the house of Judah and neither shall scribes teaching the Law from his son's sons until the time of King Messiah shall come, to whom the kingship belongs; to him shall all the kingdoms be subject.” (Targum Neofiti).

"... until he come whose right it is..." (Ezekiel 21:27).

Conjunction of Planet Jupiter with the Star "Spica" of the Constellation of Virgo - September 11, 2017.

"Spica", or "Spike", is the Main Star of the Constellation of the Virgin.

In the Zohar, "Jupiter" is called "Tzedek" (Righteous) and is the Planet that Kabbalistically governs the Sefirah "Yesod" (Sex).

Clarification: Elsewhere we explain that Yesod, or the Sexual Functions, are Ruled by the Planet Uranus (as Our V.M. Samael Aun Weor teaches us).

There is a relation between Yesod and the Planet Jupiter when "Jupiter" Spiritually Unites with His Feminine, or Nukvah, which is the Spiritual Event that is being announced in Heaven: The Spiritual Fruit of the Mystical Union of the FATHER-MOTHER represented by the Planet Jupiter, or the Heavenly Father, and the Star "Spica", the main Star of the Constellation of the Virgin.

In other words: The Heavenly Father Zeus-Jupiter, or the Solar Logos, Fecundates the Virgin Immaculately by His Holy Spirit.

From Their Spiritual Union is Born from the Virginal Womb of Virgo, or THE VIRGIN, The Fruit, Offspring, or Shoot: the Man Child (GEBER) of Revelation 12, who is, in one of its several esoteric meanings, "MOSES WITH HIS ROD", as explained in "Chapter II" of this Study.

"There is always a JUPITER INITIATOR IN THE LAKE or a MOSES SAVED FROM THE WATERS." (V.M. SAMAEAL AUN WEOR).

JUPITER, as ZEUS-JUPITER, THE COSMIC CHRIST, is THE SOLAR LOGOS.

On March 13, 1993 (*), the Bodhisattva of the Prophet Moses chose the Path of the Bodhisattvas of Compassionate Heart, THE DIRECT WAY, THE MIDDLE WAY of CHRISTIFICATION AND TOTAL LIBERATION, mounted on the Back of His SACRED ELEPHANT GANESHA.

(*) On March 13, 1993, the most powerful Superstorm/Hurricane of the Century "ever recorded in the History of Mankind", "a storm of biblical proportions" occurred, which generated waves up to 20 meters in the Atlantic Ocean, and with winds up to 162 kilometers per hour. The storm began a day earlier, on March 12, intensified powerfully once it reached the shore on March 13, and ended the following day, on March 14.

August 22 of this year 2017 (the day after the Total Eclipse of the Sun) was the 24th Anniversary of the Birth (which Occurred on August 22, 1993) of the Prophet Moses (called "The Heart of Heaven" among the Mayas) within the Heart of the Bodhisattva of V.M. Thoth-Moisés.

In The Zohar, Moses-Tiferet, or "Venus-Lucifer" ("The Bearer" of CHRIST's Light), is The Heart of Heaven, the Heart of Zeir Anpin, or the Lesser Countenance.

On August 22, 1142 (date on which there was a Total Solar Eclipse, "Total Solar Eclipse on August 22, 1142", which lasted 3 minutes and 36 seconds), the Iroquois

Confederacy, or "Haudenosaunee" ("People of the Longhouse"), was born, being composed of the Five Nations: Oneida, Mohawk, Cayuga, Onondaga and Seneca, created by Dekanawida with Aionwatha's assistance as his Spokesman, and with the mediation of Jikohnsaseh, called "Great Peace Woman" and "Mother of Nations".

Between November 20, 2016 and September 9, 2017, the Planet Jupiter stays within the "Womb" of the Constellation of the Virgin ("Virgo") for approximately 42 weeks... Normally human gestation lasts from 37 to 42 weeks...

In one of the several Esoteric Keys, the Zohar explains about the Ninth Sphere of Light, or Sefirah, of the Kabbalistic Tree of Life called YESOD (Foundation) that "his planet is Jupiter (Heb. tzedek)..." (In one Key, to be clear. For in other esoteric correspondences, YESOD, THE SEXUAL FUNCTIONS, is Ruled by URANUS).

There is no contradiction between these two correspondences, since it is through the SUBLIME AND VIRGINAL, CHASTE, TRASCENDENTAL EROTICISM OF YESOD that THE HEAVENLY FATHER, having FECUNDED HIS BELOVED AND VIRGINAL HEAVENLY WIFE BY WORK AND GRACE OF THE HOLY SPIRIT, BRINGS TO LIFE THE FRUIT OF HER LOINS: THE MAN CHILD WITH THE ROD OF IRON WHO IS BORN OF

THE VIRGIN OF REVELATION 12, TRAVAILING IN BIRTH, AND PAINED TO BE DELIVERED...

This also occurs WITHIN EVERY INITIATE OR MASTER WHO INCARNATES THE INTERIOR, INNER CHRIST, since the "Apocalypse" has to be lived out by every Christified Master within His own Soul, in His own Particular, Divine, Inner, Spiritual Being.

The Event on September 23, 2017 of The Virgin (Virgo) Clothed with Sun, Crowned with 12 Stars, with the Moon under Her Feet, and Travailing in Birth, and Pained to Be Delivered of Her MAN CHILD, and those that have been occurring since the Total Eclipse of Sun on August 21, 2017 are Signs in Heaven and on Earth of Past, Present, and Future Events announced in this Prophecy, which are being Fulfilled in this end of times.

THE VIRGIN of Revelation, Chapter 12, is "travailing in birth" to GIVE BIRTH to THE MAN-CHILD, symbolically represented by the Planet JUPITER Exiting the "Womb" of the Constellation of VIRGO, or THE VIRGIN.

"1 AND there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: 2 And she being with child cried, travailing in birth, and pained to be delivered." (Revelation 12:1-2).

"... the woman expectant with a man (gbr) is racked by her pains, for from the shores of death she gives birth to a male (zkr), and there emerges from the pains of Sheol, from the «crucible» of the pregnant woman a Splendid Counsellor with his strength, and the Man (gbr) is freed from the womb." (Hymns by the Teacher of Righteousness, 1QH, Column XI (III), 9-10).

"... in the Prophecy of the woman & Dragon (Revelation, 12), the Dragon is Egypt, the woman crowned with a crown of twelve stars & pained in travel is the Church [Community] of the Hebrews in bondage & affliction [due to materialism and lack of Fear of God on Earth in this end of times] & the manchild with the rod of iron is Moses with his rod..." (Sir Isaac Newton, in "The First Book concerning the Language of the Prophets", "Chapter IV", "The Prophecy of the eaten Book described").

The Signs of The Times

The Signs of the Times... ("Signs" [Signos] is an anagram of Gnosis...) in Heaven, on September 23, 2017, are Signs of Spiritual, Esoteric Events that herald the fulfillment of the Prophecy of Chapter 12 of the Book of Apocalypse, or Revelation.

This is not a date in which the world will end, although, indeed, these are announcements of "the end of times" of an end of times, as it is written:

"And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man child. And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and times, and half a time, from the face of the serpent." (Revelation 12:13-14).

"Time, and times, and half", or sixty-nine "Weeks" and "half" of a "Week"... Have passed already!...

In this sense, we are already in the end of times of "a time, and times, and half a time".

But the other "half" of the last of the "Seventy Weeks" is still lacking.

This last "half" is the "three days and an half" (Revelation 11:9) prior to the Esoteric Resurrection of THE TWO WITNESSES of the Apocalypse ELIJAH AND MOSES...

"Three Days and a Half" are also equivalent to "Three Years and a Half", each year of 360 days, 1260 Days in total: $360+360+360+180=1260$.

The First Witness, who is THE PROPHET ELIJAH, Reincarnated in Our Venerable MASTER RABOLÚ,

has already Resurrected Esoterically, Spiritually, many years ago!...

The Prophecy of the "Death" and "Resurrection" of THE TWO WITNESSES ELIJAH AND MOSES is found before Chapter 12 of Revelation, in Chapter 11. This indicates that what is foretold in Chapter 11 of Revelation was fulfilled first, before what is foretold in Chapter 12 of Revelation... Thus indicating that the Times of "Time, and times, and half", or sixty-nine "Weeks" and "half" a "Week", have been fulfilled...

The Second Witness, who is THE PROPHET MOSES, or THE MAN-CHILD of Revelation 12:5, is in His Processes of the ESOTERIC RESURRECTION, with the Help of God... This indicates that very little time remains...

Sir Isaac Newton revealed that "the manchild with the rod of iron [of Revelation 12:5] is Moses with his rod..." (Please see our study on "La Profecía de las Setenta Semanas [The Prophecy of the Seventy Weeks]").

The Great Kabbalist Isaac Luria revealed much earlier in "The Gate of Reincarnations" that the Prophet Moses will Reincarnate, returning in "the last Generation", that is, NOW in this end of times...

Some interpret that the Child born of the Virgin of chapter 12 of Revelation refers to Our Lord Jesus The Christ. But we must understand that Our Lord JESUS

THE CHRIST, THE SON OF THE LIVING GOD, Lives with His same Body with which He Resurrected about Two Thousand years ago. His "Second Coming" has several Esoteric meanings, one of which refers to the Coming of the "other Comforter", the Holy Spirit who, in any case, is "His Likeness", or His "Alter-Christ".

Regulus, Venus, Mars and Mercury in Leo; Sun and Jupiter in Virgo; Moon between Virgo and Libra; Saturn in Ophiuchus (Pluto in Sagittarius, Neptune in Aquarius, and Uranus in Pisces, in a lower position) will appear in alignment (with the Star Regulus of Leo, above Venus) and very near the line of the celestial Equator on September 23, 2017.

Image elaborated navigating through time with the "Starry Night Pro Plus 7" Software. To view the image in a larger size (1.1 MB), please click the cursor here.

Regulus with Venus, Mars and Mercury in Leo, followed by THE SUN (IN VIRGO), POSITIONED ON THE CROSSING OF THE ECLIPTICS OF THE EQUATOR AND THE MERIDIAN (between September 22 and 23), FORMING THE "X"-SHAPED CROSS OF ST. ANDREW, are among the first to rise on the horizon between 4:30 and 6 a.m., Asunción time, Paraguay. Then they are followed by

Jupiter, the Moon below the Virgin's Feet, later followed further away by Saturn, Pluto, Neptune, and Uranus. ALL ALIGNED VERY CLOSE ON THE SUN PATH LINE, except for the Moon with the Crescent Moon, positioned BELOW THE VIRGIN'S FEET.

The rising on the horizon of the Star Regulus first, followed by the other "Three Stars": Venus, Mars and Mercury, almost equidistant from one another, and then by THE SUN on THE VIRGIN'S Shoulder, Announces

the Ascent in Heaven of the "Little King" Born like "ZEUS-JUPITER", THE CHRIST-SUN, from THE VIRGIN-MOTHER's Womb, positioned "between her Feet". And for a near Future, "in the Time to Come", it announces THE MYSTICAL MARRIAGE OF THE DIVINE COUPLE ZEUS-HERA.

The Sacred Marriage, or "hieros gamos", of "The Divine Couple" of the God Zeus and the Goddess Hera, or Juno, "The Matron Goddess" (Matronetha or Matronitha), is the permanent and definitive inner and spiritual Edenic Weddings that the Interior and Inner Christ accomplishes with His Beloved Feminine Spiritual Soul, or "Nukvah", in the Esoteric Processes of The Third Mountain, as we are taught by Our V.M. Samael Aun Weor in His Great Work "Las Tres Montañas [The Three Mountains]".

"From the Ancient of days emanates the Divine Couple, that is, the Christ and His Virgin Bride,..." (V.M. Samael Aun Weor).

This is the Prophet Moses' Spiritual, Mystical Marriage with His Soul Hayyah, the Neshamah of the Neshamah, which is the Soul at the Kabbalistic Level of the Sefirah Chochmah THE COSMIC CHRIST, to continue ascending, with the Help of God, to the Highest Soul, which is the Soul YEHIDAH, OR "UNIQUE", the Soul at the Level of KETHER, the FATHER, the HOLY ANCIENT OF DAYS.

(Please see: EL ALMA Y SUS CINCO NIVELES [THE SOUL AND ITS FIVE LEVELS] in <http://www.testimonios-de-un-discipulo.com/El-Alma-y-Sus-Cinco-Niveles-a-la-Luz-del-Zohar.pdf>).

On September 23, the Crescent Moon appears at the Virgin's Feet.

The Planet Jupiter, after staying 42 weeks in the Virgin's Womb, comes out from "between her feet".

Between November 20, 2016 and September 9, 2017, the Planet Jupiter stays within the "Womb" of the Constellation of the Virgin ("Virgo") for approximately 42 weeks... Normally human gestation lasts from 37 to 42 weeks...

These signs in Heaven are immediately followed by the Woman Clothed with the Sun, with the Moon under her feet, and Twelve Stars upon Her Head, traveling in birth to Be Delivered... (Revelation 12:2 and Exodus 2:6) on September 23, 2017... Three days before the 17th Anniversary of the Incarnation and Birth of the Child Christ, or Golden Messiah, of V.M. Thoth-Moisés, which took place between September 25 and 26, Year 2000, in the City of Bakatá, in Colombia.

Although this is a Unique Astronomical Event, some say that there were already other events like that of September 23 in previous centuries, but they were not the same:

Virgo on September 14, 1056, The Moon is further from the Virgin's Feet. The "12 Stars" are not complete upon the Virgin's Head, in Leo.

EXPANSION:

Astronomical Event on September 14, 1056.

The three "Stars" Venus, Mercury and Mars, although are indeed on the Virgin's Head, none of the three are in Leo.

Venus is in Conjunction with Regulus.

Mercury and Mars: in Virgo on the Virgin's Head.

The Sun: it is not on the Virgin's shoulder, nor is it at the crossing of the Equator and the Meridian.

Jupiter.

Moon: in Libra a little further from the Virgin's Feet.

Uranus.

Pluto (not visible in the image) further away from the Equator.

Saturn and Neptune (not visible in the image) a little further from the Equator.

Conclusion: This Astronomical Event of September 14, 1056 is not the same Event of September 23, 2017.

Virgo on September 5, 1293, 724 years ago! It is similar, but not exactly the same, since although the moon is close to the feet, it is not exactly under the feet, and Jupiter is above the Virgin's Womb, and not exactly coming out from "between her feet"...

EXPANSION: Navigating through time with the "Starry Night Pro Plus 7" Software, I have been able to obtain more precise information about the Astronomical

Event of September 5, 1293. In the image we can see the following details:

September 5, 1293.

In Leo: Mercury, Uranus, Venus, then in Virgo: Mars. In total, four "Stars" upon the Virgin's Head plus Leo's Nine "Stars", they are 13 "Stars" in total, and not 12 "Stars".

The Sun is Far from the Crossing of the lines of the Ecliptics of the Equator and the Meridian.

Jupiter: further above the Virgin's Uterus.

Neptune: a little further from the Equatorial line.

In Libra: the Moon further from the Virgin's Feet.

Pluto and Saturn, further below (not visible in this image) further from the Ecliptic line of the Equator.

Conclusion: This Astronomical Event of September 5, 1293 is not the same as the Astronomical Event of September 23, 2017.

Virgo on September 6, 1483. The Moon is not in the same position, exactly below the Virgin's Feet (it is next to Saturn and further from the feet). The Seven Planets are not aligned. The Three Planets: Mercury, Mars and Venus are not upon the Virgin's Head in the Constellation of Leo!

EXPANSION:

September 6, 1483.

Venus in Leo.

Mercury and Mars in Virgo.

The Sun is far from the Crossing of the Ecliptics of the Equator and the Meridian.

Jupiter.

Pluto is further away from the Equator.

Saturn.

The Moon in Libra further from the Virgin's Feet.

Neptune and Uranus.

Conclusion: This Astronomical Event of September 5, 1293 is not the same as the Astronomical Event of September 23, 2017

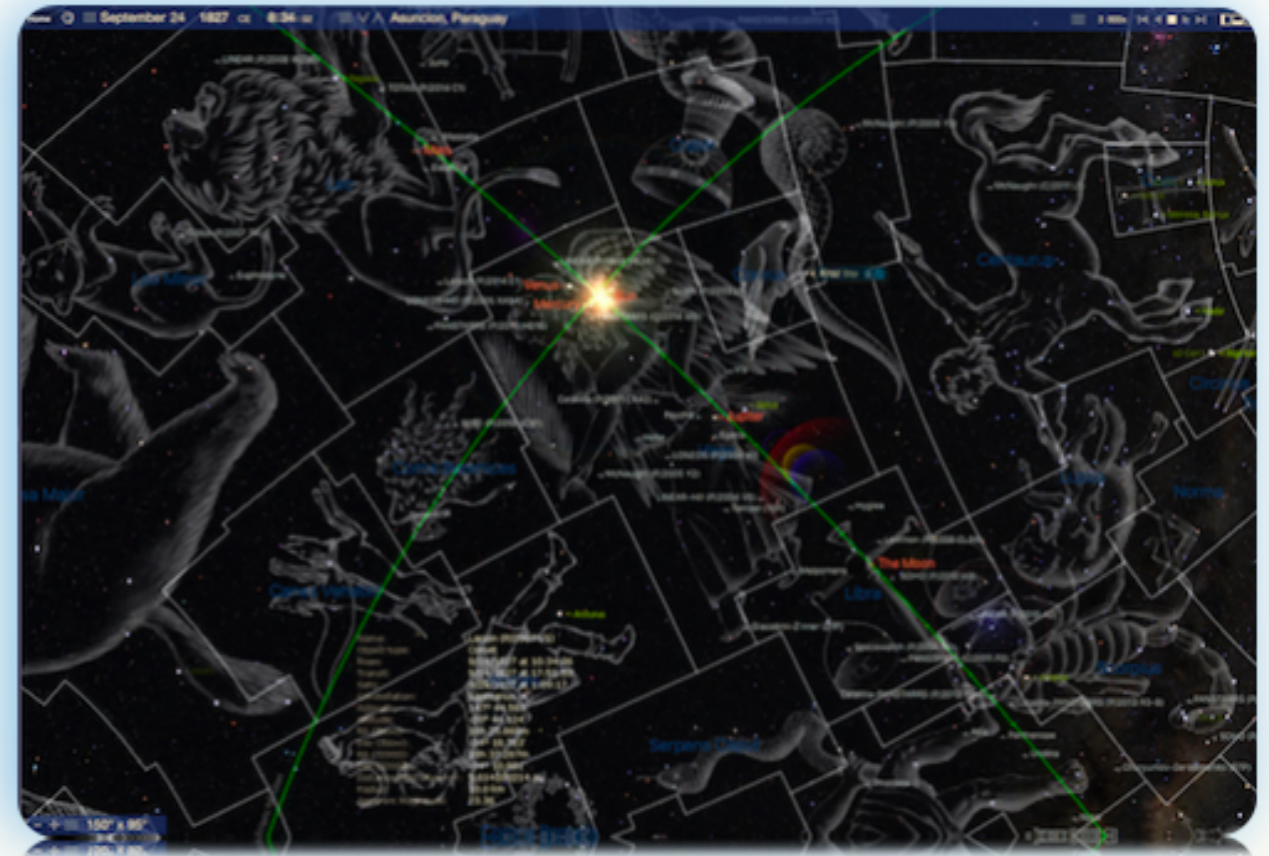

Image elaborated navigating through time with the "Starry Night Pro Plus 7" Software. To view the image in a larger size (1.1 MB), please click the cursor here.

Virgo on September 24, 1827. The Moon is far from the Virgin's feet, it is not under her feet.

EXPANSION:

September 24, 1827.

Mars in Leo. Venus and Mercury in Virgo.

The Sun at the Crossing of the Ecliptics of the Ecuador and the Meridian.

Jupiter.

The Moon in Libra, further from the Virgin's Feet.

Neptune and Uranus (not visible in this image).

Pluto far further away from the Line of the Equator.
(Not visible in this image).

Conclusion:

This Astronomical Event of September 24, 1827 is not the same Event of September 23, 2017.

Anyway, there is indeed a very Transcendental Historical fact that took place in the Year 1827, which was the last Year of the Great Master of Music L.V. BEETHOVEN's Life. In this year 1827 BEETHOVEN began to write the sketches of His TENTH SYMPHONY!

The Astronomical Event of Virgo on September 5, 1293 was possibly, probably, a prefiguration of the Event of September 23 of this year 2017.

By the year 1293, the Publication of THE BOOKS OF THE ZOHAR, whose Ancient Gnostic-CHRISTIAN Teachings were compiled by the Spanish Kabbalist Moses of Leon (1240-1305), and where it is written that: the Earth is round!... was being Conceived Occultly.

THE BOOKS OF THE ZOHAR are one of the Sources that foretell the Prophet MOSES' Soul Reincarnation in this end of Times...

Analyzing those previous events, they confirm that the Event of September 23, 2017 is indeed UNIQUE, although there have been other similar but not equal celestial phenomena in a time span of several centuries.

It is argued that the constellation of Leo has much more than "7 Stars", which is true. However, it is the same Astronomy that points out the SEVEN MAIN STARS OF THE CONSTELLATION OF LEO.

And although it is said that in the past there were other same events, it is not exactly the same event. Why? Because of all that we have seen before, and also because:

ON SEPTEMBER 23, 2017, the SEVEN ASTROLOGICAL PLANETS ARE ALIGNING ON THE ECLIPTIC OF THE EQUATOR OF THE "SUN PATH" IN ADDITION TO THE OTHER PLANETS: Saturn, Pluto, Neptune and Uranus.

Because THE "12 STARS" REUNITE UPON THE VIRGIN'S HEAD IN THE CONSTELLATION OF LEO.

Because this event occurs ONLY ONCE AT THE BEGINNING OF THE SEVENTH MILLENNIUM... ALSO FALLING ON THE ROSH HASHANAH

CELEBRATION, the beginning of the Jewish New Year.

Because it is a New "STAR OF BETHLEHEM" Announcing that the CHILD-CHRIST of the Prophet MOSES has already Reincarnated since September 26, Year 2000 of Our Christian Era.

The Spiritual Triumphs foretold in the Prophecies and confirmed by the Signs in Heaven on September 23, 2017 are also preceded by great fights, dangers, and spiritual battles in heaven and on earth, as it is written in Chapter 12 of the Book of Revelation, and in the Essene Texts from Qumran referring to the E S C H A T O L O G I C A L T E A C H E R O F R I G H T E O U S N E S S [EL MAESTRO DE JUSTICIA ESJATOLÓGICO], or of the END OF TIMES, who corresponds to the Soul of the Prophet Moses, Shiloh, King Solomon Reincarnate.

What is Announced in THE SIGNS OF TIMES and the Prophetic Visions written in the Essene Texts from Qumran is being fulfilled...

Between the years 2001-2002 we began to give public shape to our "Community of the Desert"... in this "last Generation"...

"The birth pangs of the Messiah have already begun" (the Prophet-King-Messiah), who is Moses, or

the Teacher of Righteousness, and the Shoot of David Reincarnated in these End Times...

"Before she travailed, she brought forth; before her pain came, she was delivered of a man child." (Isaiah, 66.7).

"Before distress cometh upon her, she shall be redeemed; and before trembling cometh upon her, like the pains upon a woman in child-bearings her King shall be revealed." (Targum of Isaiah, 66.7).

These Prophecies have been fulfilled because ENOCH, or the Prophet MOSES Reincarnated in V.M. THOTH-MOISÉS, HAS REVEALED, DISCLOSED Himself, APPEARED publicly since before September 23, 2017, since THE MONTH OF ELUL, Year 5760 of the Hebrew Calendar; that is to say, since September 26, Year 2000 of Our Christian Era, at the end of the "SIXTH MILLENNIUM", which was THE EVE OF THE "SEVENTH MILLENNIUM", that is, the Millennium in which we, all Suffering Humanity, are now...

"... In 1QH III,7-10 (a Text from Qumran) there is mention of a "geber" and "zakar", purified in His Mother's womb as in a crucible, who is given the messianic title of "wonderful counsellor" (See Isaiah 9.6)":

"... the woman expectant with a man (gbr) is racked by her pains, for from the shores of death she gives birth to

a male (zkr), and there emerges from the pains of Sheol, from the «crucible» of the pregnant woman a Splendid Counsellor with his strength, and the Man (gbr) is freed from the womb." (Hymns by the Teacher of Righteousness, 1QH, Col. XI (III), 9-10).

(Please see: "LOS TRES MESÍAS Y EL MESÍAS CELESTE ANUNCIADOS EN LOS MANUSCRITOS ESENIOS HALLADOS EN LAS CUEVAS DE LOS ALREDEDORES DE QUMRÁN [THE THREE MESSIAHS AND THE HEAVENLY MESSIAH FORETOLD IN THE ESSENE MANUSCRIPTS FOUND IN THE CAVES SURROUNDING QUMRAN]" in: <http://www.testimonios-de-un-discipulo.com/Los-Tres-Mesias-y-el-Mesias-Celeste/Los-Tres-Mesias-y-el-Mesias-Celeste-Tercera-Parte.html>).

Another translation of the previous Text reads:

"I was in distress like a woman giving birth the first time when her birth-pangs come on her and a pain racks her womb to begin the birth in the 'crucible' of the pregnant woman. Since sons reach the frontiers of death and the woman expectant with a man is racked by her pains, for from the shores of death she give birth to a male, and there emerges from the pains of Sheol, from the 'crucible' of the pregnant woman a splendid counsellor with his strength, and the man is freed from the womb. Into the woman expectant with him rush all the spasms

and the wrenching pains of his birth; terror (sizes) those giving birth, and at his birth all the pains come suddenly, in the 'crucible' of the pregnant woman." (1QHodayot, Columna XI(III) 7-12).

The biblical text reads:

"For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder: and his name shall be called Wonderful, Counsellor, The mighty God ["AZAZEL", which means "MIGHTY GOD"], The everlasting Father, The Prince of Peace." (Isaiah 9.6).

"Azazel" contains the words "Azaz", which means "Mighty", and "El", which means "God". Therefore "Azazel" literally means "Mighty God".

In the "Epistle of Barnabas" (ascribed by Clement of Alexandria to the Apostle Barnabas, one of the Seventy Disciples and the Apostle Paul's companion in his Mission), Azazel's Male Goat is identified with Our Lord Jesus The Christ:

"... 6. Attend ye to the commandments which He gave. Take two goats, fair and alike, and offer them, and let the priest take the one for a whole burnt offering for sins. But the other one--what must they do with it? Accursed, saith He, is the one. Give heed how the type of Jesus is revealed. And do ye all spit upon it and goad it, and place scarlet wool about its head, and so let it be

cast into the wilderness. And when it is so done, he that taketh the goat into the wilderness leadeth it, and taketh off the wool, and putteth it upon the branch ... the same whereof we are wont to eat the shoots when we find them in the country. Of this briar alone is the fruit thus sweet. What then meaneth this? Give heed. The one at the alter, and the other accursed. And moreover the accursed one crowned. For they shall see Him in that day wearing the long scarlet robe about His flesh, and shall say, Is not this He, Whom once we crucified and set at nought and spat upon; verily this was He, Who then said that He was the Son of God. For how is He like the goat? For this reason it says the goats shall be fair and alike, that, when they shall see Him coming then, they may be astonished at the likeness of the goat. Therefore behold the type of Jesus that was to suffer..."

"And the goat [for Azazel] shall bear upon him all their iniquities unto a land not inhabited: and he shall let go the goat in the wilderness." (Leviticus, 16: 20-22). "... Yet it pleased YHVH to bruise him; he hath put him to grief: when thou shalt make his soul an offering for sin, he shall see his seed, he shall prolong his days, and the pleasure of YHVH shall prosper in his hand. He shall see of the travail of his soul, and shall be satisfied: by his knowledge shall my righteous servant justify many; for he shall bear their iniquities..." (Isaiah 53: 10-11) "... and he was numbered with the transgressors; and he bare

the sin of many, and made intercession for the transgressors..." (Isaiah 53: 12).

The same words applied to Azazel in the Book of Leviticus, Chapter 16, are applied to the Servant of Isaiah, in Isaiah, Chapter 53...

"Azazel was the King Solomon. Presently, the Bodhisattva of Azazel is fallen; but it is logical that in the near future, that Bodhisattva will rise from the mud of the earth." (From "El Mensaje de Acuario [The Message of Aquarius]" by our V.M. Samael Aun Weor).

Azazel, or the King Solomon, is the Likeness of our Lord Jesus The Christ, and His Holy Spirit, the "Other Comforter", "Menahem".

The Zohar explains that the words of Isaiah 9:6 "Wonderful" esoterically mean "Occult", "Hidden", referring to Kether, The Father, The Holy Ancient of Days, and to Chochmah; "Counsellor" is "Binah"; "Mighty God", Chesed and Geburah; "Father" is Jacob, or Tiferet; "Eternal" is Netzach; "Prince" is Hod; and "Peace" is Yesod (Joseph). As for the Tenth Sefirah Malchut, it is His Queen and Feminine Yesod, or NUKVAH, and HER "FEET", or His WIFE.

In short, the Words of Isaiah 9:6 interpreted in the Light of the Zohar refer to ADAM-KADMON, or ENOCH-METRATON, who realizes the 10 Sefirot, or VESSELS OF SPIRITUAL LIGHT, of the Kabbalistic

Tree of Life that is hidden in The Three Mountains, whose Path is "MATRONITHA", or THE "MATRON", THE HOLY SHEKINAH, who is His SPIRITUAL WIFE.

The Targum of Isaiah, interpreting Isaiah 9:5, identifies the Messiah with Azazel, since Azazel means "Mighty God", as we saw before:

"The prophet said to the house of David, For unto us a Child is born, unto us a Son is given, and He has taken the law upon Himself to keep it. His name is called from eternity, Wonderful [Counsellor], The Mighty God, who liveth to eternity, The Messiah, whose peace shall be great upon us in His days." (Targum of Isaiah, 9.5).

The previous epithets, denominations, attributes are applied to the True Teacher of Righteousness Reincarnated in the End Times, who is called "Geber" ("Man") in the Texts from Qumran, he is also the "Wonderful Counsellor" and the "Prince of Peace", which identifies him with Crown Prince Solomon, who became "King of Peace" (Shalom).

The foregoing reminds me of the Carta "1250" del "6 de septiembre de 1994" [Letter "1250" of "September 6, 1994"] sent by Our V.M. Rabolú to Brazil, where He says:

"I would be very pleased if the missionary Palacio and Wife attended that Assembly as they have a lot of

material to give and very good advice for all the community."

We are already in the generation in which the Prophet-King-Messiah Shiloh, or Moses, has Reincarnated again to begin to accomplish his "Great Mission" for the Good of all Suffering Humanity.

And He... the Prophet Moses Reincarnated in these End Times has been given authorization from Heaven to Reveal and Interpret publicly, to all Humanity, the Mysteries of the Holy TORAH contained in THE ZOHAR and in THE GENEALOGICAL TREE OF WISDOM... "THAT IS HIDDEN IN THE THREE MOUNTAINS"...

The Man Child with the Rod of Iron
is Moses with his Rod,
and the Son of the Woman Clothed with the
Sun of the Apocalypse

The Woman Clothed with the Sun, Crowned with Twelve Stars, with the Moon Under her Feet, and Travailing in Birth gives Birth to a Man Child (Revelation 12).

"1 AND there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: 2 And she being with child cried, travailing in birth, and pained to be delivered. 3 And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads. 4 And his tail drew the third part of the stars of heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born. 5 And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne. 6 And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days." (Revelation 12:1-6).

The Mathematician, Astronomer and Kabbalist Sir Isaac Newton, in an Interpretation of the previous paragraphs of the Book of Revelation, reveals that "the woman crowned with a crown of twelve stars & pained in travel is the Church of the Hebrews in bondage & affliction"; that "the Manchild with the rod of iron" and

Son of the Woman Clothed with the Sun "is Moses with his rod..." (reincarnated in these times of the "Apocalypse"):

"... in the Prophecy of the woman & Dragon (Revelation, 12), the Dragon is Egypt, the woman crowned with a crown of twelve stars & pained in travel is the Church [Community] of the Hebrews in bondage & affliction [due to materialism and lack of Fear of God on Earth in this end of times] & the manchild with the rod of iron is Moses with his rod..." (Sir Isaac Newton, in "The First Book concerning the Language of the Prophets", "Chapter IV", "The Prophecy of the eaten Book described").

"... the seed of the woman & the Prophet & the Shiloh spoken of by Moses..." (Sir Isaac Newton, "Our religion to Iesus Christ.").

"A thousand two hundred and threescore days" are equivalent to three and a half years, or its equivalent of 42 months, each month of 30 days (360+360+360+180=1260 days), they are "time, and times, and half" a time (of the Prophet Daniel's* Prophecy of the Seventy Weeks), during which there is the fulfillment of the prophecy of the two witnesses Elijah and Moses of Chapter 11 of Revelation who prophesy clothed in sackcloth, that is to say, incarnated within the "sackcloth", or physical body, of their Human persons.

*NOTE: The 360-day year (12 months of 30 days each) is not the year of the current Hebrew lunar calendar that consists of "a total of 354 days".

EXPANSION: On Friday, July 14, 2017 (a little more than 2 months ahead of the Event of September 23, 2017), I was given in the Higher Dimensions the Rod of Iron, of Stainless Steel, finished in a Staff-shape on its upper part.

CLARIFICATION: Everything I tell about the Esoteric Lived Experiences belongs to the Spiritual Part, to my Real Being, to my Inner and Heavenly FATHER-MOTHER, and not to my physical person, which is only His very imperfect physical vehicle and instrument by which HE is fulfilling HIS GREAT WORK AND MISSION.

In the Book of Jubilees, the Year of the Solar Calendar is composed of 364 days, which was a development of the early calendar wherein the Solar Year was composed of 360 Days + 4 Days, opposed to the 354-Day Year of the Lunar Calendar.

In our study on the Prophecy of the Seventy Weeks [la Profecía de las Setenta Semanas] of the 490 years of the Book of the Prophet Daniel, we started from the Decree of Artaxerxes of the year 457 before Our Christian Era.

We explained that until the Year 30 of Our Christian Era, 486.5 Years were accomplished with Our Lord

Jesus The Christ's Life, Passion and Resurrection, remaining 3.5 Years reserved for the accomplishment of the 490 Years, for this end of times:

In the Light of the Prophecy of the Seventy Weeks of the Prophet Daniel and of the Words of our Lord Jesus The Christ, the last part of the Seventy Weeks is for this time: the last half, or "the three days and a half", of the last of the Seventy Weeks.

Seventy Weeks are numerically equivalent to 490 Days ($70 \times 7 = 490$). But as each "Day" is equivalent in the Prophecy to a Year, the 490 "Days" of the "Seventy Weeks" are 490 Years.

The "Seventy Weeks" counted in Years are:

Seven weeks... ("Time")... (49 years).
Sixty-two weeks... ("Times")... (434 years).
Half a week... ("Half")... (3.5 years, three and a half years).

$49 + 434 + 3.5 = 486.5$ "Days"

457 Years until the Passover of the Year 30 of Our Christian Age result in 486.5 Years.

"Half" a Week (3.5 Days, or 3.5 Years) remains for the accomplishment of the Seventy Weeks, or 490 Years, reserved for The End Times...

"Half" a Week is Three and a half days.

The Decree of Artaxerxes in the Year 457 (before our Christian Era) is the date on which the reckoning of the Seventy Weeks begins. (Please see: "EL NACIMIENTO PASIÓN Y RESURRECCIÓN DE JESÚS EL CRISTO [THE BIRTH, PASSION, AND RESURRECTION OF JESUS THE CHRIST]").

490 Years, each Year of 360 Days = 176,400 days.

490 Years, each Year of 364 Days = 178,360 days.

If we subtract the figure of 176,400 days from 178,360 days, it gives us the result of 1,960 days.

If each Day is equal to 1 Year, then they are 1,960 Years.

If we start from the Year 30 of Our Christian Era, adding 1,960 Years, it gives us the figure of 1,990 Years. And if we add the "3.5" Years that were lacking to 490 Years, it gives us the figure of 1,993 and a half years of Our Christian Era, the time of the Prophet Moses' Birth as V.M. Thoth-Moisés (the Second and Last Witness of the Apocalypse), who reincarnated on August 22, 1993. The time when the Essene Texts from Qumran were published "integrally" in Spanish for the first time.

These explanations complete our studies on the Prophet Daniel's Prophecy of the Seventy Weeks [La Profecía de las Setenta Semanas del Profeta Daniel] consistent with the Essene Solar Calendar of 364 days per Year. And they harmonize the transition from the Ancient 360-day

Calendar (12 months in the year, each of 30 days) to the 364-Day Solar Calendar: 8 months of 30 days (240 days), and 4 months: the third, sixth, ninth, and twelfth of 31 days each (4x31=124 days). Total; 240+124=364 days.

- III -
**The Essene Solar Year
and the Seleucid-Hasmonean Lunar Year**

"And all the days of Enoch were three hundred sixty and five years:" (Genesis 5:23).

The Zohar's Rabbis of the II Century of Our Christian Era were aware of the 365-day length of the Solar Year:

"... when the [Esoteric, Spiritual] Moon, WHICH IS MALCHUT, shines at its fullest, the number of its days rises to be 365 days, AS THE SOLAR YEAR, WHICH IS ZEIR ANPIN,..." (The Zohar).

"Said R. Simeon [ben Yohai]: ... In the third month, when the children of Israel were gone forth out of the land of Egypt ... The third month is the one in which the celestial chief Uriel has sway. He has three hundred and sixty-five myriads of camps with him, corresponding to all the days of the year..." (The Zohar).

A little further on, Rabbi Yose refers to the:

"... three hundred and sixty-five legions called days of the solar year,..." (The Zohar).

"... Enoch ... meaning the solar year when our present duration was settled, 365 days—('God took him when he was 365 years old')..." (H.P. Blavatsky).

"11 In the six hundredth year of Noah's life, in the second month, the seventeenth day of the month, the same day were all the fountains of the great deep broken up, and the windows of heaven were opened...." (Genesis 7:11). "3 And the waters returned from off the earth continually: and after the end of the hundred and fifty days the waters were abated. 4 And the ark rested in the seventh month, on the seventeenth day of the month, upon the mountains of Ararat." (Genesis 8:3-4).

From the 17th day of the second month to the 17th day of the seventh month there are 5 months equivalent to 150 days. 150 days divided by 5 months gives as result 30 days for each month. This clearly indicates that the length of the month in the previous texts of the Book of Genesis at the time of Noah and the Deluge was 30 days.

The 364-day Solar Year of the Essenes is made of 12 months of 30 days each month ($12 \times 30 = 360$) plus 4 additional days, or a total of 364 days.

To each of the four seasons of the year corresponds Thirteen Weeks: ($4 \times 13 = 52$), or a total of 52 weeks a year:

52 weeks, each week of 7 days ($52 \times 7 = 364$).

To each season of thirteen weeks corresponds three months (each quarter began on a Wednesday that was

the Fourth Day of Creation, when the Sun and Moon were Created), each month of 30 days, with an additional day, or "Remembrance" day, in the third month: $23 \text{ weeks} \times 7 \text{ days} = 91 \text{ days}$; that is, 3 months \times 30 days each month = 90 days plus 1 additional day in the third month gives a total of 91 days, which multiplied by the 4 seasons of the year: 91×4 equals the 364 days of the Solar Year.

The first day of the Essene Solar Calendar was always a Wednesday in Spring, corresponding to the Fourth Day of Creation in which God Created the "Sun" and the "Moon":

"14 And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years: 15 And let them be for lights in the firmament of the heaven to give light upon the earth: and it was so. 16 And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also. 17 And God set them in the firmament of the heaven to give light upon the earth, 18 And to rule over the day and over the night, and to divide the light from the darkness: and God saw that it was good. 19 And the evening and the morning were the fourth day." (Genesis 1: 14-19).

The Hebrew "354"-day "Lunar Year" (used by the Seleucids and the Hasmoneans, these latter being the

descendants of the Maccabees) was totally rejected by the Teacher of Righteousness and His Community of the Essenes that settled on the shores of the Dead Sea in the place that is currently called "Qumran".

The Solar Calendar was established by God, as it is written in the Book 1 of Enoch (1 Enoch 18:14-16; 80:2-8); and in the Book of Jubilees (Jubilees 2:9; 6:30-32).

"... lest they forget the feasts of the covenant and walk according to the feasts of the Gentiles after their error and after their ignorance. 36 For there will be those who will assuredly make observations of the moon -now (it) disturbeth the seasons and cometh in from year to year ten days too soon..." (Book of Jubilees, 6:35-36).

By the year 200 before our Christian Era, the Jewish People were being subdued by the Hellenizing culture of the Seleucids, and "irreligious men", "who had forsaken the Law of the Most High God", submitted themselves to them. The author of the Book of "Ecclesiastes", written around the year 190 before our Christian Era, Jesus Ben Sira, refers to them:

"8 Woe be unto you, ungodly men, which have forsaken the Law of the Most High God!" ("The Wisdom of Jesus Ben-Sira", or the "Ecclesiastes", XLI:8.).

Please see our study "Simón Hijo de Yohanan [Simon Son of Yohanan]".

By the year 167 before Our Christian Era, the 364-day Solar year Calendar was the official cult calendar until it was replaced by the 354-day lunar calendar of the Seleucids.

"The Seleucid Empire (312-63 BC) was a Hellenistic empire and a successor state of Alexander the Great's Empire."

Once the fight against the "Seleucids", waged by the "Maccabees" led by Matisyahu the Hasmonean High Priest, was over, after his death, the "Maccabees" usurped the position and function of the "High Priest" that legitimately belonged to the "Teacher of Righteousness" chosen by God, and a true "Son of Zadok".

"Zadok", or "Sadoc", was the "founder of the High Priestly line of the Jerusalem Temple" during the Kingdom of King David, whose legitimate heir in the mid-II century before Our Christian Era was The Teacher of Righteousness.

The "Maccabees", betraying the same cause for which they had previously fought, a cause began by the Great Matisyahu, instead of taking a stand in favor of the continuation of the legitimate high priesthood of the Zadok line in the Teacher of Righteousness, they made alliances with the Hellenizers.

Around the year 152 BCE, the "Teacher of Righteousness" was illegally deposed and displaced from the High Priesthood by one of the Maccabean brothers: Jonathan, who was not a priest of the Zadokite line. In that same year, Jonathan is designated as high priest by Alexander Balas (an usurper of the throne of the Seleucid Empire), which constituted an illegal act; and also accepting (by the year 150 BCE) the appointment as governor of Judea, dying in the year 142 or 143 BCE, and being succeeded by his brother Simon Maccabeus in that same year, this latter obtaining a "legitimization" to the usurpation of priesthood through and with the support of his family around the year 140 BCE. Simon Maccabeus held those positions until the year 134 BCE. He was succeeded by his son John Hyrcanus, who reigned until the year 104 BCE.

It was under the Seleucids and the Maccabees that the 364-day Solar calendar of Enoch, of the Book of Jubilees, of the Teacher of Righteousness and the Essene Community was replaced by the 354-day lunar calendar in the Temple of Jerusalem.

Two currents were defined thereafter:

1.- The Zadok Line of the Teacher of Righteousness and the Community of the Essenes, who continued to use the 364-day Solar Cult Calendar, a line that continued within the bosom of Early Christianity; and,

2.- The Seleucid and Hasmonean Line of the Maccabean usurpers of the Legitimate Priesthood, who established the 354-day Lunar Cult Calendar in the Temple of Jerusalem, desecrating it.

Our Lord Jesus The Christ pronounced Himself against that Seleucid/Hasmonean line, usurper of priesthood, restoring the Legitimate Priesthood of the Solar Cult in the Apostle Simon Peter Son of Yohanan [Simón Pedro Hijo de Yohanán].

A historical parallel occurred many centuries before in Ancient Egypt, when Pharaoh Akhenaten struggled to restore the ancient Solar Cult of Aten in Egypt, which had been changed into the Lunar Cult of the priests of Amon.

To complete the 364-day Solar Year with 365 days, the Essenes may have taken this day into account. To date, according to the published Texts from Qumran, there are no references in any of them to the 365-day Solar Year. But it is also possible that this length of the Solar Year (365 days) may have been transmitted only through the unwritten Tradition. For it is very likely that in the figure of the "365" years of Enoch's lifetime (Genesis 5:23), there is an indication of the 365-day length of the Solar Year, which could not have gone unnoticed by the Essenes from Qumran.

-IV-

Selection of some Texts which state that the Calendar of the Essenes from Qumran was the Solar Calendar

The non-fulfillment of the Commandment given by God to Moses, to the People of Israel, to be governed by the 364-Day Solar Calendar brings as consequences the punishments that are foretold in the Book 1 of Enoch:

"2 And in the days of the sinners the years shall be shortened, And their seed shall be tardy on their lands and fields, And all things on the earth shall alter, And shall not appear in their time: And the rain shall be kept back And the heaven shall withhold (it). 3 And in those times the fruits of the earth shall be backward, And shall not grow in their time, And the fruits of the trees shall be withheld in their time. 4 And the moon shall alter her order, And not appear at her time. 5 [And in those days the sun shall be seen and he shall journey... on the extremity of the great chariot in the west] And shall shine more brightly than accords with the order of light. 6 And many chiefs of the stars shall transgress the order (prescribed). And these shall alter their orbits and tasks, And not appear at the seasons prescribed to them. 7 And the whole order of the stars shall be concealed from the sinners, And the thoughts of those on the earth

shall err concerning them, [And they shall be altered from all their ways], Yea, they shall err and take them to be gods. 8 And evil shall be multiplied upon them, And punishment shall come upon them So as to destroy all." (Book 1 of Enoch, 80:2-8).

The Great Sign of all time is The Sun, and not the Moon:

"9 And God appointed the sun to be a great sign on the earth for days and for Sabbaths [weeks] and for months and for feasts and for years and for Sabbaths of years [septennial] and for jubilees and for all seasons of the years (Book of Jubilees, 2:9).

The Solar Year is the Complete Year:

"30 And all the days of the commandment will be two and fifty weeks of days, and (these will make) the entire year complete. Thus it is engraven and ordained on the heavenly tablets. 31 And there is no neglecting (this commandment) for a single year or from year to year. 32 And command thou the children of Israel that they observe the years according to this reckoning- three hundred and sixty-four days, and (these) will constitute a complete year, and they will not disturb its time from its days and from its feasts; for everything will fall out in them according to their testimony, and they will not

leave out any day nor disturb any feasts. 33 But if they do neglect and do not observe them according to His commandment, then they will disturb all their seasons, and the years will be dislodged from this (order), [and they will disturb the seasons and the years will be dislodged] and they will neglect their ordinances. 34 And all the children of Israel will forget, and will not find the path of the years, and will forget the new moons, and seasons, and sabbaths and they will go wrong as to all the order of the years. 35 For I know and from henceforth shall I declare it unto thee, and it is not of my own devising; for the book (lieth) written before me, and on the heavenly tablets the division of days is ordained, lest they forget the feasts of the covenant and walk according to the feasts of the Gentiles after their error and after their ignorance. 36 For there will be those who will assuredly make observations of the moon -now (it) disturbeth the seasons and comeeth in from year to year ten days too soon. 37 For this reason the years will come upon them when they will disturb (the order), and make an abominable (day) the day of testimony, and an unclean day a feast day, and they will confound all the days, the holy with the unclean, and the unclean day with the holy; for they will go wrong as to the months and sabbaths and feasts and jubilees. 38 For this reason I command and testify to thee that thou mayest testify to them; for after thy death thy children will disturb (them), so that they will not make the year

three hundred and sixty-four days only, and for this reason they will go wrong as to the new moons and seasons and sabbaths and festivals, and they will eat all kinds of blood with all kinds of flesh." (Book of Jubilees, 6:30-38).

The Solar Calendar is the Basis of the Torah:

"It is certain that the solar calendar is of priestly origin. It is the basis of time reckoning adopted by Ezekiel, by the redactors of the Pentateuch and Chronicles. This solar calendar was used in the temple till the hellenistic times. There was a time when an attempt was made to introduce the lunar calendar of Babylonian origin into the liturgical worship of the temple, which undoubtedly provoked a certain resistance among the priesthood, particularly among those who opposed Hellenism. The author of Daniel seems to hint at this when he accuses Antiochus IV Epiphanes of having made alterations in 'times and laws.' (Dan. 7, 25)." King David Composed Three Hundred and Sixty Four
(364) Songs For All Days of the Year:

"Col. XXVII (Compositions of David 2 Sam 23,7)

leaving no trace of them. 2 ... And David, son of Jesse,

And songs 10 to be sung over the possessed: four. The total was four thousand and fifty. 11 He composed them all through the spirit of prophecy which had been given to him from before the Most High..." ("The Texts from Qumran").

The Calendar used by the Teacher of Righteousness of the Zadok Line and the Essene Community in Qumran was the Solar Calendar, which is the Solar Calendar of the Book 1 of Enoch and the Book of Jubilees. This tradition continued within the bosom of Early Christianity, for example, with the Celebration of Pentecost that always falls on Sunday, exactly 50 days from the Sunday of Our Lord Jesus The Christ's Resurrection.

Our Lord Jesus The Christ established the Essene Solar Cult in Early Christianity. But like the Essene Teacher of Righteousness, He had to fight against the opposition of the priests of the lunar cult in Jerusalem.

Elijah and Moses

The Two Witnesses of the Apocalypse

"... and the two witnesses prophesy 1260 days, that is, all the same time, clothed in sackcloth. These have power, like Elijah, to shut heaven that it rain not, at the sounding of the first trumpet; and, like Moses, to turn the waters into blood at the sounding of the second; and to smite the earth with all plagues, those of the trumpets, as often as they will. These prophesy at the building of the second temple, like Haggai and Zechary...". ("The Project Gutenberg eBook of Observations upon the Prophecies of Daniel, and the Apocalypse of St. John, by Isaac Newton").

In one of "The Seven Esoteric Keys", the Two Witnesses of the Apocalypse are "The Two Olives", "The Two Candlesticks of the Temple", "The Two Energy Cords" of the cerebro-spinal Column called "Ida and Pingala".

But in another Esoteric Key, the Two Witnesses of the Apocalypse are the Two Prophets Elijah and Moses.

"2 But the court which is without the temple leave out, and measure it not; for it is given unto the Gentiles: and the holy city shall they tread under foot forty and two months. 3 And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and

threescore days, clothed in sackcloth." (The Apocalypse, or Revelation, of St. John The Theologian 11:2,3).

1260 days divided by 42 months gives as result 30 days. That is to say, 30 days in each month.

As we are in the times in which the Two Witnesses reincarnated: the Prophet Elijah (reincarnated in Our V.M. Rabolú) and the Prophet Moses (reincarnated in V.M. Thoth-Moisés), we are also in the times of the "Apocalypse" of the Signs in heaven announcing the Birth of the Manchild, who is Moses with His Rod (as was foretold by Isaac Newton), who Is Born of:

"... a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars: 2 And she being with child cried, travailing in birth, and pained to be delivered..." "And she brought forth a man child, who was to rule all nations with a rod of iron: and her child was caught up unto God, and to his throne. 6 And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred and threescore days." (Revelation 12).

The "wilderness" is the Desert of the Esoteric Path where "A Woman" ("The Woman" of Genesis 3:15), who is Our Divine Mother Kundalini, and Her Man child, who is the Prophet Moses with His Rod, are feeded "a thousand two hundred and threescore day" (or

Three and a Half Years), kabbalistically equivalent to the Three Days and a Half ("each day for a year", Ezekiel 4:6) preceding the Esoteric and Spiritual Resurrection of each one of the Two Witnesses Elijah and Moses:

"11 And after three days and an half the Spirit of life from God entered into them, and they stood upon their feet; and great fear fell upon them which saw them." (Revelation 11:11).

The Prophet Elijah Reincarnate, who is Our V.M. Rabolú and the First Witness of the Apocalypse, already passed through the Christic Esoteric Processes of the Resurrection of the Inner Christ.

The Prophet Moses, who is the Second Witness of the Apocalypse Reincarnated in V.M. Thoth-Moisés, is living the Christic Esoteric Processes of the Holy Sepulcher, awaiting the Final Resurrection of my Inner Christ during these "three days and a half". The Spiritual Resurrection has already occurred in other Esoteric processes. (Please see "La Resurrección de Adam-Moisés [The Resurrection of Adam Moses]").

"Moses became the paradigm for the eschatological prophet, and Elijah became the paradigm for the eschatological priest." ("THE ENDTIME RETURN OF ELIJAH AND MOSES AT QUMRAN").

"... in the future Moshe himself will reincarnate and return in the last generation..." (Isaac Luria's Teachings in "Sha'ar HaGilgulim" ["The Gate of Reincarnations"], "Introduction Twenty").

"The last generation" are these times of the Two Witnesses of the Apocalypse in which we are now.

These signs and events in heaven and on earth indicate that indeed we are now in the end of times and in the last generation and in the fulfillment, in one of its meanings, of the Prophecy of Revelation about the Woman Clothed with the Sun.
