THE LORD OF THE DEER

EXPANDED VERSION
- APRIL 21 - 2023

BODHISATTWA OF
V.M. THOTH-MOISÉS**

THE LORD OF THE DEER

*“... under the eyes of the
wise, the Ah May Cuuc, The-
deer- squirrel...”*

- ❖ *On Holy Thursday, April 6 of this Year 2023, Miss Akiane Kramarik attended the Grand Opening in Marble Falls, Texas, where She signed and dedicated her books and also held a question-and-answer session about the exhibit.*
- ❖ *Our Esteemed and Dear Friends and Soul Brothers Guilherme and His Beloved Wife, Mrs. Vanessa, attended the Opening, greeted and congratulated Miss Akiane on my behalf, and also received from Her some of her books with dedication and her signature.*

Esteemed and Dear Soul Brothers Guilherme and His Beloved Wife Mrs. Vanessa: Regarding the note you wrote to me on this Holy Thursday, April 6, 2023, at the end of Your Reports on the Mission I entrusted to You in the United States of North America and where you told me: “A uns poucos metros do hotel aonde estamos, retornando para descansar, nos deparamos com 3 Veados...”

“A few meters from the hotel where we are staying, while we were returning to rest, we came across 3 Deer...”

The Message of the Three Sacred Little Brother Deer is something very Beautiful, Wonderful, and very Symbolic!!!

It is a Message from the Three Venerable Masters: Our Venerable Master Samael Aun Weor, Our Venerable Master Rabolú, and Venerable Master Thoth-Moisés, the Three Messiahs sent by Our Lord Jesus The Christ in these End Times, as it is written and foretold... on such a Holy and Special Day as Holy Thursday.. which in these moments reminds me of the encounter I had in the Astral Dimension, on Holy Thursday, early morning, March 24, 2005, with Our Lord Jesus The Christ, Our V.M. Samael Aun Weor, Our V.M. Rabolú, and with each of Their Likenesses... as I published on this Holy Thursday, April 6, 2023, in the following link:

<http://www.testimonios-de-un-discipulo.com/La-Semejanza-de-Nuestro-Salvador-Jesus-El-Cristo.pdf>

[The Likeness of Our Savior Jesus The Christ]

In the Writings of the Sacred Gnosis of Early Christianity, there are many True Testimonies that give FAITH that our Lord Jesus the Christ Rose with his same Physical Body after having been crucified, dead, and buried.

“... and (that) because of our FAITH! For we have known the Son of Man, and we have believed [we have had Faith] that HE rose from among the dead. This is HE of whom we say, “HE became the destruction of death, as he is a great ONE in whom they believe [they have Faith].” Great are those who believe [who have Faith].” (“Treatise on the Resurrection,” Text of the Early Gnostic Christianity of the Valentinian Gnostics).

"Jesus, after the Resurrection, entrusted the Gnosis first to James the Just, Peter, and John; they, in turn, passed it on to the rest of the Twelve (Apostles) and the Twelve to the Seventy, among whom was Barnabas." ("Hypotyposesis," Book VII, by Clement of Alexandria, quoted by "Eusebius of Caesarea," "Ecclesiastical History," "Book 2.")

THE LORD OF THE DEER

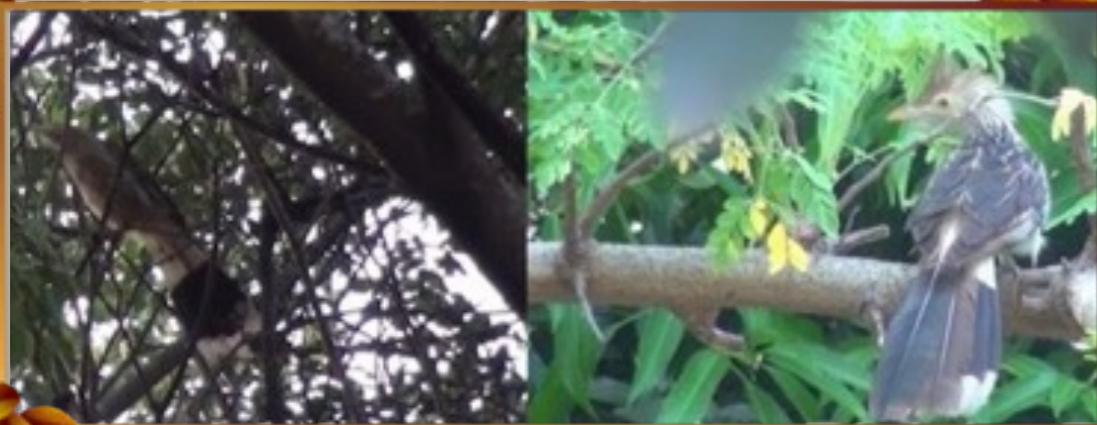

*“... onto the savanna, in
the mountains, then under
the eyes of the wise; the Ah
May Cuuc, The-deer-
squirrel, will be present; he
will be present in the
mountains at the time of
this Katun.”*

THE PIRIRITA BIRD

- ❖ *In previously published Works, I have written about the meanings of the Deer.*
- ❖ *Here at Our Sacred Home in Asunción, Paraguay, the Sacred Bird “Piririta” (Guira Cuckoo, Guira Guira) has come to visit us several times. The following photos are of several Piririta Birds that visited us at Our Sacred Home in Asunción, Paraguay:*
- ❖ *The “PIRIRITA BIRD... [is the] MESSENGER OF “THE LORD OF THE DEER.”*

“... says Tupä Kuchuvi Veve... considered the lieutenant or secretary of the Genie of the Deer, or Fawns, Guachu Já Ete.” [*] "Guachu Já Ete" is the True Owner, Genie, or "Lord of the Deer."

- ❖ *"Among the Maya, the Lord, or Owner, of the Deer ... appears as a symbol associated with Tohil, the great civilizer whom the Quiché identified with Quetzalcoatl..."*
- ❖ *Tohil is the chief Quiché God. One of his Nawales, or "Esoteric Disguise," is the Deer.*
- ❖ *"Venus, or Quetzalcoatl, THE FEATHERED SERPENT, is identified as the "Lord of the Deer."*

Among the Huichol Indigenous People of the Western Sierra Madre Mountains in Mexico, The Lord and Spirit of the Deer, or Fawns, is called the Blue Deer, Tamatz Kayaumari, "the Great-Grandfather Deer Tail," the chief Huichol God.

"The Blue Deer" is the Great Ancestor of the Deer.

In Vision I saw A Deer and heard a Voice saying to me, “It is the Deer Constellation.”

The Rig Veda refers to the Orion Constellation as Mriga (The Deer).

Holay, P. V. "Vedic astronomers". *Bulletin of the Astronomical Society of India*. 26: 91–106. Bibcode:1998BASI...26...91H.

Among some Indigenous Peoples of Ancient Mexico, the Deer is "The Spirit of Corn" and "The Sun of the West."

The Nahuatl word “Mazatlán” (the name of a coastal city in northwestern Mexico and better known through the Mexican Song “Mi Mazatlán” means “Land of the Deer.”

In the Nahuatl language, "Mazatlán" means "Land of the Deer," from "Mazatl," Deer, and "Tlán," Land or Place.

“The Mohanes of the Cundiboyacense plateau resemble the famous animal owners and often live in humid caves; likewise, an 'encanto' is a magical spirit that lives in nature. The allusion to the hill of Bochica is surprising from the beginning because one theory suggests that the name Bochica contains the root chi- hica, or deer, an animal sacred to the Muisca (who limited their hunting). (Place of narration: Chipaque).”

"Young Deer" is Prince Totonaca Zkatan-Oxga's Name, the Bridegroom-Husband of His Spiritual Beloved,

Tzacopontziza ('Morning Star'), the Maiden of "The Vanilla Flower."

Among some Indigenous Peoples of Ancient Mexico, the Deer is "The Spirit of Corn" and "The Sun of the West."

"According to Totonac legend, the vanilla orchid was born from the blood of Princess Tzacopontziza ('Morning Star') in the place where she and Prince Zkatan-Oxga ('Young Deer'), who had abducted her for love [with her consent], were captured and sacrificed by the priests of Tonoacayohua, the goddess of crops. The prince reincarnated in a strong bush, and the princess became a delicate orchid vine, tenderly embracing her lover..."

I was also very impressed, Dear Soul Brothers Guilherme and His Beloved Wife Mrs. Vanessa, by Your Encounter with a “Little Squirrel” and a “Raposa” (“Fox”) as well as by the Bust of Emperor Caesar Augustus in the House Museum you visited, and the stone relief with The Tau Cross, or Cross of Thoth, and the Monument with The Ten Commandments of The Law of God and the Prophet Moses. All of this conveys a series of very symbolic messages, along with the Three Deer and the Mission you have accomplished...

As I explained before, the Three Deer are symbolic of The Three Messiahs: Our V.M. Samael Aun Weor, Our V.M. Rabolú, and V.M. Thoth-Moisés.

As for the Squirrel, the “Fox,” The Tau Cross, The Ten Commandments, and the Bust of Emperor Augustus Caesar, I include below some brief explanations of their symbologies.

Among the Ancient Mayan Indigenous Peoples, the Deer and the Squirrel are closely related Prophetically.

A Mayan Prophecy of the Wheel of Thirteen Katuns related to “Katun 8 Ahau,” contained in the Mayan Book “The Chilam Balam of Chumayel,” speaks of “Ah May Cuuc, The-deer-squirrel,” predicting a very hard and painful time for Humanity, a time of Wars and Catastrophes:

“Year [9?] 8 KAN”

“8 Ahau on the 1st of Poop, Mat, 9th year tun of 5 Ahau. It is the time when he is squatted in his cave. The hills shall burn, the land shall burn, the ravines shall burn. The fire shall set alight in the grasslands. The sea shall burn at the edge of the [beach] sand. The Sicil squash seeds shall burn, the K'um squash seeds shall burn, and also the Macal yam shall burn. It will occur during this Katun. In Ichcaansihó, Face-of-the-birth-of-the-sky, Ah Itzam, Wizard-of-the-water, shall bend to bear his burden. The burden he receives is a heavy and painful one. The bedrocks shall explode; the tinamou will call out; the deer will snort in the middle of the savanna. *Ix Kan Itzam Thul*, The beautiful witch of gushing water, shall be scattered onto the savanna, in the mountains, then under the eyes of the wise; the Ah May Cuuc, The deer-squirrel, will be present; he will be present in the mountains at the time of this Katun. Bleached shall be the

burden of the year, bleached shall be the clothes, bleached shall be the loincloths.”

“Buluc Ch'abtan, Eleven-Faster, will have water to drink, and He shall cry out for his place during the remaining Sun-time, in the 11th tun. In the 11th tun this shall come to pass.” (From the Mayan Book “The Chilam Balam of Chumayel”).

“The 8 Ahau Katun was the Katun of war, conquest and change...”

“The Chilam Balam tells us about wars, conquests, changes that occurred every 8 Ahau Katun, which necessarily implied partial or general changes. Obviously, many of the old system elements were retained but with innovations and/or the assimilation of new ones. Moments of crisis, seen as periods of disorder and chaos, are crucial for understanding the social structure. The crisis should not be seen as an abrupt situation but as the outcome of a process. All of this leads us to believe that the Itzáes had a very well-structured cosmovision that established strong links with the past and the future and that they somehow intervened in the events of their people to fulfill history.”

“From this systematic observation, the Mayans determined that the cycles were repeated at each specific time and recognized the date 8 Ahau as a point of drastic change, often even radical...”

Regarding the meaning of “The Fox,” I published a Work entitled “The Song of the Gypsy Man-Child”:

<http://www.testimonios-de-un-discipulo.com/El-Canto-del-Infante-Gitano%200.pdf>

As for the meanings of “The Tau Cross,” I have published its meanings in various Works:

<http://www.testimonios-de-un-discipulo.com/la-cruz-tau.html>

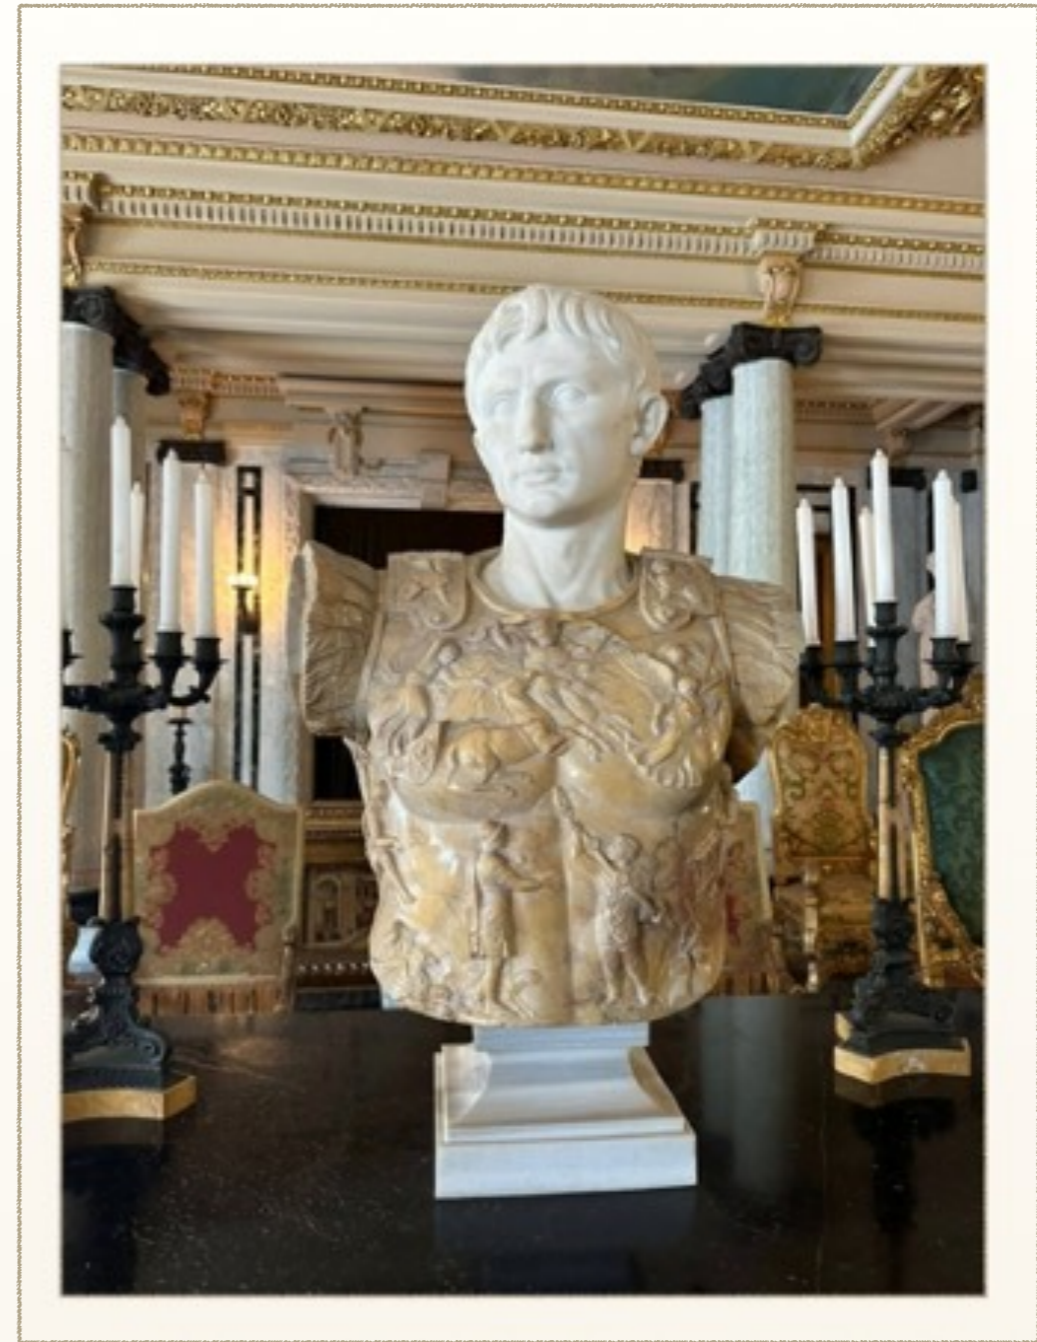

[The Tau Cross]

[The Tau Cross among the Maya]

<http://www.testimonios-de-un-discipulo.com/Egloga-Cuarta-de-Virgilio-y-el-Puer-Pastor.html>

[Virgil's Fourth Eclogue and the Shepherd Little Child]

The TAU CROSS is THE CROSS OF THOTH. The Egyptian "Ankh", or "Crux Ansata", is the Monogram of the Name of the GOD THOTH.

"|4| And Hashem said unto him, Go through the midst of the Ir, through the midst of Yerushalayim, and put a TAV upon the mitzekhot (foreheads) of the anashim that grieve and lament for kol hato'evot that are being done in the midst thereof." (Yechezkel 9:4). (OJB).

A Little Big Story

Extension - April 21, 2023.

Several years ago, in my research on the Internet, I came across the pleasant news of the Story of a Young Girl who, in her childhood, had a Lived Experience with Our Lord Jesus The Christ, which greatly Astonished and Impressed me because in my childhood, when I was between 3 and 4 years old, I also had an Encounter and a real, physical Lived Experience with Our Lord Jesus The Christ, who manifested himself to me physically, in the form of a Living Child-Christ, as I published in great detail on my Website:

<http://www.testimonios-de-un-discipulo.com/Aparicion-Revelacion-y-Manifestacion-Fisica-de-Jesus-Cristo-Vivo-1954.pdf>

<http://www.testimonios-de-un-discipulo.com/Physical-Apparition-Revelation-and-Manifestation-of-Living-Jesus-Christ-1954.pdf>

On “Page 3” of my Website:

<http://www.testimonios-de-un-discipulo.com/Index-3.html>

I put the following link, which I found very interesting and impressed me a lot, about Akiane's Little Big Story, narrated by Herself, with a translation into Spanish: "Painting the impossible" by Akiane Kramarik:

<https://www.youtube.com/watch?v=sRGHL9s-38Q>

I sent the above link to the Brothers and Sisters of Our Beloved Community of “Friends of Gnosis,” among them

Our Dear Soul Brothers Guilherme and His Beloved Wife, Mrs. Vanessa, of Our Beloved Community of Brazil.

Akiane Kramarik at age four started “experiencing intense dreams and visions of heaven...” and her “real experiences...,” sketching “everything She remembered from” her “dreams and visions... including two celestial beings who are especially close to” Her; Her Angel and a “Face” (in Hebrew, “Partzuf”...) of Jesus The Christ... Still a kid, something very mysterious happened to her: she disappeared in some inexplicable way.. Most likely, She was taken by Higher Heavenly Beings to a Higher Dimension and Other Worlds... of the Etheric World of the Fourth Dimension, the World of the Jinas, or Elves of the Light..., a place that “was not here on Earth”... to then reappear “in the midst of numerous eyewitnesses...”

At age eight, her visions suddenly returned... and so did the inspiration to paint... She would wake up at 4:00 in the morning to paint...

One of her earliest visions kept on returning to her mind, but She knew “it was impossible for her to paint it,” yet She wanted “to try anyway...”

Recently Our Dear Soul Brothers Guilherme and His Beloved Wife, Mrs. Vanessa, of Our Beloved Community in Brazil, informed me of the following:

[“Dear Master, it gave us great joy to know that after 20 years, Miss Akiane will exhibit the wonderful painting Prince of](#)

Peace with the face/countenance of Our Lord Jesus The Christ...”

“For our part, we are at your disposal, Dear Master, if You deem it important to go there and greet her, talk to her a little, and give her some works on Your behalf; we are at your disposal, My Beloved Wife Vanessa and myself, with all our hearts.”

“Dear Master, we are preparing to travel to the United States with an expected departure date of tomorrow, April 4, and return on April 12, where My Beloved Wife Vanessa and my person will go very specifically to deliver Your Great Works Translated into English...”

“Dear Master, we arrived around 16:20 in the city of Marble Falls, where the Exhibit of some of Akiane's Works will take place tomorrow at Belóved Gallery. We went straight to the hotel to get organized, and at 17:20, we headed toward Belóved Gallery to visit the place... Tomorrow at 10:00 and 15:00, Akiane will speak on the microphone, and anyone who wants to can ask her something. And from noon to 14:00, Akiane will sign her books. We had amazing moments of great joy and gratitude for all Your Invaluable, Spiritual Support that we felt all the time we were there. We thought of writing a letter to Akiane, telling her that we learned about her great work from You when You shared the video “Painting the Impossible” years ago and that You send your greetings and congratulations. We will try to deliver this letter along with Your Great Work in print if You deem it

Convenient. We will send You a picture of the staff who attended to us at the Belóved café!”

“Dear Master, V.M. Thoth-Moisés, Thank God, through your intercession, we could give Your Greetings [to Miss Akiane], your works, your Hug, the little letter! We are immensely grateful for all that Heaven has allowed us to experience and be witnesses of your Great Work and Mission!”

“From Your Friends and Soul Brothers Guilherme and Vanessa!”

“We told her About You, that we learned about Her life from You, and that You had had a experience with Our Lord Jesus The Christ around age three, and that in the bag we gave her was a written work in which You told that beautiful story.”

“Miss Akiane attended to everyone for about 3 hours, always with an angelic smile on her face, giving lots of Love and Affection to everyone, without showing any signs of tiredness.”

“Then we went to the exhibit to see some of Miss Akiane's works. We learned that Belóved Gallery was built by a Gentleman who bought some of her paintings and will leave them on permanent free display for everyone who wants to see them, especially her Work Prince of Peace, which this Gentleman purchased.”

“Later we were asked to be interviewed, to give our testimony about our experience, about what we had felt, and so we did. [We said] That we had learned about Akiane from

You and that You too, just like Akiane, had had encounters with our Lord Jesus the Christ at the age of 3 and still had them, and that just as Akiane had seen the Face of Jesus the Christ Our Lord, masterfully portraying it in painting, seeing the painting and looking deeply into his Eyes had made us think that each one of us must seek our Inner Christ because He was in each person's soul in embryo, waiting for us to seek him and be Guided since we could not hide anything from him, because he saw everything that happened in the depths of our hearts. This interview will be part of a work that will be edited and published and sent to us as soon as it is ready.”

“We said goodbye to everyone, thanking them very much for the great opportunity we had to be there, for all the welcome and help they gave us. They invited us for a coffee at Belóved tomorrow since it will be a quieter day, so we will go there tomorrow/today to have a coffee with everyone who can be with us. According to what they told us, Miss Akiane and her Family will not be there tomorrow.”

“A few meters from the hotel where we are staying, while we were returning to rest, we came across 3 Deer...”

“Dear Master, from Mrs. Gina, She has authorized You to Publish the pictures that we have taken in the gallery and sent to You.”

“All the pictures together with Akiane and all those that we have taken in the gallery are authorized with warm Greetings!”

“Dear Master, we have just received confirmation from Belóved Gallery authorizing the publication of any photo You see fit!!!”:

“Hello, Guilherme! Nice to hear from you. We are excited that you want to share your experience at Belóved Gallery. We're happy for you to post your story and photos on the testimony website [*] or anywhere else you want to share. Feel free to point people to our website for more information or questions. www.belovedgallery.org”

Extension - April 21, 2023.

Dear V.M. Thoth-Moisés, Me and my Beloved Wife Vanessa left our home in Lages on April 4th tuesday, around 2 pm by car in a journey of approximately 3 hours to the airport in the city of Florianopolis. From there, we went by plane to the city of São Paulo - Brazil, where we took the flight to our final destination for the city of San Antonio - Texas as 10:50 pm, with a connecting flight in the city of Atlanta - Georgia, with arrival Scheduled for april 5th, 1pm!

After all the procedures at the airport, we took the car we rented for a road trip of approximately 1:30hrs to the city of Marble Falls, directly to the hotel where we were booked. We arrived at the hotel around 4:20 pm.

After a long journey of approximately 24 hours, even a little tired, we decided to get organized as quickly as possible to go directly to the place where the event would be held on April 6th, at Beloved Gallery.

We left the hotel around 5:20 pm, and arriving at the place, looking through the glass windows, we saw that the Gallery was empty.

We walk a little further and suddenly a lady with the Beloved Gallery uniform, called Meredith Clowdus, appears, who greets us very kindly.

We explained to her that we came from brazil especially to be at the grand opening of the Gallery, to meet Miss Akiane. We mentioned to her that we only had a date available to enter the beloved Gallery on April 8th, and if... so that it

would be possible to reschedule our tickets for April 6th, we would be very grateful.

We commented that we would be there all day tomorrow, in case of any reschedule possibility.

We said goodbye and we are very grateful for the attention that Mrs. Meredith gave us at that time.

We continued walking around Beloved Gallery and Beloved Café. After about 5 minutes, we heard the voice of Lady Meredith calling the name of my Beloved Wife Vanessa. Astonished, we saw that Mrs. Meredith invited us to enter the Beloved Café, where there were more people working on the organization of the event. Everyone was delighted to know that we had come from Brazil to be there at the grand opening of the Beloved Gallery.

Surprisingly, they saw through the reservation system that they had 3 cancelation to next day, April 6th, and then they were able to anticipate our tickets.

We thanks all with all our heart for the help and for the kindness that they received us.

The next day, the event would start at 10 am, so we preferred to arrive earlier, at 9:30 am. Upon arriving at the place, which was at Beloved Café, one of the ladies that we met the day before, seeing that we had arrived at the place, came directly to greet us and quickly took us by the hand and took us to Miss Akiane. We greeted her with great joy, commenting that we got to know her painting and life through a Great Friend, Mr. Luis Bernardo Palacio Acosta,

that sent his congratulations and that, through us, He would like to send some of his written and printed articles and some words that we wrote in a letter. Everything was inside a bag that we handed over. We talked for a few minutes, as Ms Akiane had a lot of other people to attend to. We said goodbye affectionately.

We knew that Miss Akiane would be for approximately 2 hours in a signing and dedication section of her book, which tells her childhood story with some paintings. We bought some books for Miss Akiane to dedicate. On the Cell Phone, we wrote the names of the people we were going to ask for the favor of dedicating the Books, to make it easier. Firstly we asked her to dedicate the Book to Mr. Luis Bernardo Palacio Acosta, we commented that this was the person that we had mentioned to her in the morning, and that he also had several experiences with Our Lord Jesus the Christ [between 3 and 4 years old when The Living Child Jesus The Christ Physically Manifested Himself to Luis Bernardo...], just like her and that there in the bag that we had given her there was an article of his written that told this story that if she can read this article we would appreciate it. Then Ms Akiane coment us that hers grandmother lives in Brazil, in Rio de Janeiro! We talked a little more, take a photo and we say goodbye thanking her for the attention that she gave us.
