

# "Time" Does Not Fit In The Esoteric Part

**G**nosis is the Philosophy of the “Here and Now”, the Instant, the Moment, “The Philosophy of Momentariness”, which is THE BEING.

"Take everything from each moment, because each moment is a son of Gnosis, each moment is absolute, alive and significant. Momentariness is a special characteristic of the Gnostics. We love the philosophy of momentariness." (*Venerable Master Samael Aun Weor*).

"The Gnosis for me is so great because truly it teaches one to live." (*Venerable Master Rabolu*).

"The Doctrine of Aquarius will result from the merging of Buddhist Esotericism and Christian Esotericism." (*Venerable Master Samael Aun Weor*).

"The religious future of humanity will be in the merging of the best of Buddhist Esotericism and the best of Christic Esotericism. After all, GNOSIS IS CHRISTIC AND BUDDHIST ESOTERICISM integrated together; that is why the Gnostic Movement is called to make a crucial revolution." (*Venerable Master Samael Aun Weor*).

"BUDDHA and JESUS, or BUDDHA and THE CHRIST, complement each other within ourselves..." (*Venerable Master Samael Aun Weor*).

“Time” does not fit in the Esoteric part. “Time” or “times” have a beginning and an end, and Individually and Cosmically both The Buddha and The Christ are beyond time and eternity, beyond good and evil.

The evolving and devolving “Wheel of Samsara” is conditioned by “time”.

The Buddha and The Interior, Inner Christ transcend the “Wheel of Samsara” and set us Free from it.

We do not deny the existence of “time”, since “time” leaves its “traces” everywhere over everything subject to “the Wheel of Samsara”.

What is the “present”? The projection of the “past”? What is the “future”? The projection of the “present”!

Hence, and although it may seem incomprehensible to the reasoning and merely or exclusively intellectual mind, if we change the present, we also change the “past” and the “future”...

Gnosis is the Philosophy of the “Here and Now”, the Instant, the Moment, “The Philosophy of Momentariness”, which is THE BEING.

“THE BEING IS THE BEING: WHO ALWAYS IS, WHO ALWAYS HAS BEEN, AND WHO ALWAYS WILL BE” and who has neither a “beginning” nor an “end”... THE BUDDHA AND THE CHRIST ARE THE BEING.

Anyway, what could be said about “time” in order for a person to achieve both Buddhist and Christic Esoteric VICTORIES is very individual within each person (some could achieve them in a short “time”, others could need more “time”), it depends on the intensity of each one's own PRACTICAL WORK with THE THREE FACTORS:

- \* “Buddhist Annihilation”
- \* Purity and Intensity in the Practice of the “Unexcelled Yoga Tantra”, and
- \* Love or Conscious Sacrifice for all Beings, which is The “Bodhicitta”.

But there is another “Factor”, which depends on the BEING's Hidden Will, that can “Shorten the Path”...

But it is also necessary to understand that there are very few BEINGS (I am referring to the Higher Part of the Spiritual, Individual Being within each Divine Spark) who want LIBERATION, and even though it may seem as something “incomprehensible”, the majority of BEINGS are not interested in the Realization of the BEING, and among the BEINGS who are really interested in the Realization of the BEING, many choose the path of the Pratyeka Buddhas or Saravakas which is conditioned within the “Wheel of Samsara”, and that path DOES NOT LEAD to Liberation.

Only THE BEINGS who Truly Yearn for LIBERATION from the Wheel of Samsara and who, having attained LIBERATION, make THE GREAT RENUNCIATION not only to “NIRVANA” but also to the INFINITE JOY OF THE ABSOLUTE to continue staying here FOR CONSCIOUS LOVE FOR ALL POOR SUFFERING HUMANITY, FOR ALL BEINGS, “AS LONG AS THERE IS A TEAR TO WIPE AWAY”, renouncing "powers", “honors”, etc., and having worn the “DHARMA MEGA” Vestment , only they are THE TRUE BUDDHAS OF COMPASSION WHO ARE TREADING ALONG THE MIDDLE WAY OF THE BODHISATTVAS OF COMPASSIONATE HEART.

We Love all Beings, all Humanity.  
Every Human Being is also Humanity.

"May all Beings be Happy!"  
"May all Beings be Blessed!"  
"May all Beings be at Peace!"

With all my Heart for all Poor Suffering Humanity
